Invitation

Pulsus Group invites all the participants from all over the world to attend "**3rd Global Experts Meeting on Psychiatry and Mental Health**" on **April 20-21, 2020** at **Tokyo, Japan**. Which includes prompt keynote presentations, Oral talks, Poster presentations, workshops and Exhibitions.

Psychiatry 2020 is an ideal opportunity to take stock of the state of psychiatry in the 21st century and the direction of future developments. This Congress will be an excellent opportunity to share academic and clinical developments and research and to build on social interactions and support each other.

The goal of our conference is to gather folks from Mental Health and Psychiatry fields to share their ideas and learn from their best..

Regards
Psychiatry 2020
