5th INTERNATIONAL CONFERENCE ON

PSYCHIATRY AND MENTALHEALTH

DECEMBER 04-06, 2023 | DUBAI, UAE

https://psychiatry-mentalhealth.cmesociety.com/

INVITATION

PSYCHIATRY CONFERENCE 2023

PULSUS introduces its latest series of conferences with the aim of delivering groundbreaking scientific innovations and state-of-the-art technologies in your field. The meticulously designed "5th International conference on Psychiatry and Mental Health" spanning three days will bring together distinguished academicians, renowned researchers, industrial experts, leaders, practitioners, and students from all around the world. We present to you Psychiatry Conference 2023, scheduled from 04-06 December 2023, in the vibrant and lively ambiance of Dubai, UAE. We cordially invite you, your research team, and your colleagues to participate and embark on an unparalleled experience merging great minds and creating a future together. Discover the potential within each one of us and get inspired by individuals who are already creating opportunities for a brighter future. The conference theme for this year is "Re-imagining Psychiatry: Addressing Disparities and Celebrating Differences", covering a broad range of exciting and diverse topics. The conference provides a platform to establish smarter and better connections to uncover new possibilities through the movement of knowledge, ideas, and innovations with expert commentary and insights on designated topics. Interested participants can register for the conference along with their colleagues/research team to confirm their participation and take advantage of the early bird discounts.

Regards,
Merin Mathew | Program Director
Organizing Committee | Psychiatry Conference 2023

35
Years Excellence

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The psychiatry and mental health market is expected to grow significantly in the coming years, driven by several factors such as increasing awareness and acceptance of mental health disorders, rising demand for mental health services, and advancements in technology and treatment options. According to a report by Grand View Research, the global mental health market size was valued at USD 140.3 billion in 2020 and is expected to grow at a compound annual growth rate (CAGR) of 14.3% from 2021 to 2028. One key driver of growth in the psychiatry and mental health market is the increasing prevalence of mental health disorders. According to the World Health Organization, an estimated 1 in 4 people worldwide will experience a mental health disorder at some point in their lives. This has led to a growing demand for mental health services, including therapy, medication, and other treatments.

TARGET AUDIENCE

- Physicians
- Surgeons
- Health-care Analysts
- Students, Interns and Residents
- Research Faculties
- Doctors and Nurses
- Directors/Managers/CEO's
- Presidents & Vice Presidents
- Scientists and Professors
- Academic Scientists
- Medical Colleges, Universities
- Societies & Associations
- Business Entrepreneurs
- Training Institutes

WHO SHOULD ATTEND

ABOUT VENUE

Dubai is a city that is known for its modern architecture, multicultural society, and luxurious lifestyle. Located on the southeast coast of the Persian Gulf, Dubai is a rapidly growing city that attracts millions of visitors each year. The city boasts some of the tallest skyscrapers in the world, including the Burj Khalifa, and is home to some of the most luxurious hotels, restaurants, and shopping malls. Dubai is also known for its artificial islands, such as the Palm Jumeirah, which is shaped like a palm tree and features luxurious villas and resorts. The city is home to the Dubai Fountain, the world's largest choreographed fountain system, which puts on a spectacular water and light show. Another unique attraction is the Dubai Miracle Garden, a vast flower garden with over 45 million flowers arranged in various shapes and designs. Dubai is also a hub for international cuisine, offering a wide range of dining options from traditional Arabic cuisine to international gourmet cuisine. Despite its modernity, Dubai still retains its Islamic culture and traditions, with Arabic being the official language of the city. Dubai is also a major business and economic hub in the Middle East, with a strong focus on innovation and technology. Overall, Dubai is a unique and fascinating city that is a must-visit destination for anyone interested in modern architecture, luxurious lifestyle, and multicultural experiences. The city is constantly evolving, with new developments and attractions being added all the time, making it a never-ending source of excitement and discovery.
