INTERNATIONAL CONFERENCE ON

RADIOLOGY AND DIAGNOSTIC IMAGING

NOVEMBER 20-22, 2023 | LONDON, UK

https://radiology.cmesociety.com/

INVITATION

RADIOLOGY 2023

Greetings from Radiology 2023!

Radiology 2023 welcomes attendees, presenters, and exhibitors from all over the world for the International Conference on Radiology and Diagnostic Imaging, which is going to be held on, **November 20-22, 2023** in **London, UK**.

This event offers a platform for sharing cutting-edge research, exploring new imaging technologies, and discussing best practices in the radiology field.

Radiology 2023 Congress is the occasion, the theme of "**Investigating Novel Technologies in Radiology Imaging Techniques**" will energize Radiology participants, professors, and researchers, from all over the world to exchange knowledge and the latest advancements in Radiology and Diagnostic Imaging Techniques.

Over the course of the conference, you will have the opportunity to attend lectures, workshops, and networking events, all aimed at advancing the practice of radiology and diagnostic imaging.

Radiology 2023 Conference is pleased to encourage radiology prospective researchers to submit their original works/case reports to this important radiology and diagnostic imaging forum, where you can be sure to have valuable interactions with Radiology academics and experts, students from other cultures and countries.

Delegates from Universities and Institutes find the Radiology 2023 Conference to be a compelling opportunity to network with scientists.

We look forward to welcoming you to this conference and seeing you in person in London, UK.

Regards

Laura Jane | Program Director

Radiology2023 | Organizing Committee

CONFERENCE HIGHLIGHTS

- Radiology and Diagnostic Imaging
- Clinical Radiography
- Advanced technology and Instrumentation
- Acquisition of Radiological Images
- X-ray and Abdominal Imaging
- Ultrasound Imaging
- Computer tomography
- Magnetic Resonance Imaging
- Nuclear Medicine imaging
- Radiation Oncology
- Computer-aided Diagnosis
- Chest Radiology
- Advances in Mammography
- Cardiovascular Radiology
- Endovascular Surgical Neuroradiology
- Medical Imaging and Analysis
- Musculoskeletal Radiology
- Imaging Techniques in Ophthalmology
- Genitourinary Radiology
- Gastrointestinal Radiology
- Radiology Informatics
- Diagnostic Medical Physics
- Vascular and Interventional Radiology
- Thoracic Radiology
- Women's Health Imaging
- Patient safety and Practice Management
- Radiology case reports

35

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

According to market research reports, the global radiology market reached a valuation of USD 26.6 billion in 2021 and is projected to grow at a compound annual growth rate (CAGR) of 6.20% during the forecast period of 2022-2029. This growth is expected to result in a market value of USD 43.04 billion by the end of 2029. The driving factors behind this growth include technological advancements, the increasing prevalence of chronic diseases, and the rising demand for minimally invasive procedures. The market for radiology is anticipated to witness substantial growth in the coming years, with significant opportunities for expansion and development of new products and services. According to market projections, the Diagnostic Imaging Devices segment in the United Kingdom is expected to witness significant growth in revenue, with an estimated value of US$2.06 billion by 2023. Furthermore, this market segment is predicted to exhibit a steady annual growth rate of 4.30% from 2023 to 2027, ultimately leading to an anticipated market volume of US$2.44 billion by the end of the forecast period.

TARGET AUDIENCE

- Radiologist
- Imaging Technologist
- Radiology Scientist
- Medical Physicists
- Radiotherapists
- Radiology Nurse
- Ph.D. Scholars
- Radiology Director or Administrator
- Healthcare Associations and
- Radiology Informatics Specialist
- Radiology Societies
- Healthcare Technology Entrepreneur
- Researchers
- Academics in the Field of Radiology
- Industry Professionals
- Students

WHO SHOULD ATTEND

- Radiologist
- Students Researchers
- Industry Professionals
- Physicians
- Healthcare Associations and Societies
- Pharmaceutical Industries
- Healthcare Faculty
- Business Entrepreneurs
- Medical Colleges and Universities
- Health insurance providers
- Researchers
- General audience

WHY TO ATTEND

Radiology 2023 offers a comprehensive platform featuring oral presentations, interactive sessions, seminars, and posters, all headlined by renowned keynote speakers who will provide insights on the latest advancements in Radiology and Diagnostic Imaging. The conference is dedicated to the advancement of Radiology by showcasing the most innovative techniques for diagnostic imaging and treatment, while also facilitating cross-cultural exchange and sharing of diverse experiences in this field. Our aim is to deliver an exceptional curriculum that encompasses the latest research and breakthroughs in Radiology and Diagnostic Imaging.

- Influential keynote speaker session
- 5+ Workshops
- 20 Interactive sessions based on evidence from 50 + speakers
- Faculty across 3 full days
- A mix of academic and healthcare delegations
- Potential Networking Radiology Contacts

https://radiology.cmesociety.com/

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

https://radiology.cmesociety.com/registration

BRONZE SPONSOR $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR $2999

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

CONFERENCE AGENDA/ TENTATIVE PROGRAM

NOVEMBER 20, 2023- MONDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Recent Advancement in Radiology | Innovative Techniques
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Types of Medical Imaging | Acquisition of Images
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Interventional Radiology | Multimodal imaging
NOVEMBER 21, 2023- TUESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Pediatric | Breast Imaging | Women's Radiology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Musculoskeletal | Gastrointestinal | Genitourinary Radiology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: AI in Radiology | Neuro Imaging
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Radiation Safety | Methods to reduce side effects
NOVEMBER 22, 2023- WEDNESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Imaging Techniques and Radiotheraphy | Oncology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nano Technology | Drug Delivery based Imaging
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Radiology case reports | Patient Healthcare
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations

ABOUT VENUE

London, the bustling capital of England and the United Kingdom, sits proudly on the banks of the River Thames. Though it now only makes up a small portion of the larger metropolis of London, it remains a vibrant and prominent hub in central London. Known for its repeated hosting of the Olympic Games, London is a city with a diverse and exciting range of attractions and activities that draw visitors from all over the world. The concentration of higher education institutes in the city is the highest in Europe, making it a hub of academic excellence. The 2012 Summer Olympics marked London's third time as host of the popular sporting event, further establishing its reputation as a global center for culture, education, and sports.

Cultural Diversity: London is a city unlike any other, renowned for its position as a global hub and its incredible diversity. With a rich tapestry of cultures and communities, the city boasts more than 300 languages and cuisine from over 70 different countries. Although English is the official language, numerous European languages are spoken widely in and around London. Moreover, given the sheer size of the multicultural population, several other languages are also frequently used in daily life, further emphasizing the city's status as a vibrant melting pot of languages and cultures.

Climate: London has a mild and temperate climate, featuring relatively warm summers and cool winters. The average daytime temperature in London during October typically ranges from 9-15°C (48-59°F), while in December it ranges from 5-10°C (41-50°F).

Currency & Transportation: The currency used in London is Pound Sterling, which can be exchanged at most banks or specialized stores known as Foreign Exchange Bureaus. Additionally, London's renowned transport system, featuring the iconic Tube, red buses, and black taxis, provides a convenient and efficient means of getting around the city with ease and speed.

City of Attractions: London is a city of endless attractions, boasting a plethora of noteworthy landmarks and cultural institutions. Among its many highlights are four World Heritage Sites, including the Tower of London, Kew Gardens, the Palace of Westminster and its surrounding structures, and the historic settlement of Greenwich. Additionally, visitors to the city can marvel at such iconic landmarks as Buckingham Palace, Big Ben, the Gherkin, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, and Trafalgar Square, as well as the towering Shard. The city also offers an abundance of museums, galleries, libraries, and theaters, including the renowned British Museum, National Gallery, Tate Modern, British Library, and forty theaters in the vibrant West End district.

Abstract submission opens: March 01, 2023 | **Registration opens:** March 01, 2023
Early bird registration: April 30, 2023 | **On spot registration:** November 20, 2023
