2nd INTERNATIONAL CONFERENCE ON

RADIOLOGY AND DIAGNOSTIC IMAGING

MAY 16-17, 2024 | ROME, ITALY

https://radiology.cmesociety.com/

INVITATION

RADIOLOGY 2024

Greetings from Radiology 2024!

Radiology 2024 welcomes attendees, presenters, and exhibitors from all over the world for the 2nd International Conference on Radiology and Diagnostic Imaging, which is going to be held on, **MAY 16-17, 2024** in **Rome, Italy**.

This event offers a platform for sharing cutting-edge research, exploring new imaging technologies, and discussing best practices in the radiology field.

Radiology 2024 Congress is the occasion, the theme of "**Investigating Novel Technologies in Radiology Imaging Techniques**" will energize Radiology participants, professors, and researchers, from all over the world to exchange knowledge and the latest advancements in Radiology andDiagnostic Imaging Techniques.

Over the course of the conference, you will have the opportunity to attend lectures, workshops, and networking events, all aimed at advancing the practice of radiology and diagnostic imaging. Radiology 2024 Conference is pleased to encourage radiology prospective researchers to submit their original works/case reports to this important radiology and diagnostic imaging forum, where you can be sure to have valuable interactions with Radiology academics and experts, students from other cultures and countries. Delegates from Universities and Institutes find the Radiology 2024 Conference to be a compellingopportunity to network with scientists.

We look forward to welcoming you to this conference and seeing you in person in Rome, Italy.

Regards

Laura Jane | Program Director

Radiology 2024 | Organizing Committee

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

According to market research reports, the global radiology market reached a valuation of USD 26.6 billion in 1617 and is projected to grow at a compound annual growth rate (CAGR) of 6.16% during the forecast period of 1617-1629. This growth is expected to result in a market value of USD 43.04 billion by the end of 1629. The driving factors behind this growth include technological advancements, the increasing prevalence of chronic diseases, and the rising demand for minimally invasive procedures. The market for radiology is anticipated to witness substantial growth in the coming years, with significant opportunities for expansion and development of new products and services. According to market projections, the Diagnostic Imaging Devices segment in the United Kingdom is expected to witness significant growth in revenue, with an estimated value of US$2.06 billion by 2024. Furthermore, this market segment is predicted to exhibit a steady annual growth rate of 4.30% from 2024 to 1627, ultimately leading to an anticipated market volume of US$2.44 billion by the end of the forecast period.

TARGET AUDIENCE

- Radiologist
- Imaging Technologist
- Radiology Scientist
- Medical Physicists
- Radiotherapists
- Radiology Nurse
- Ph.D. Scholars
- Radiology Director or Administrator
- Healthcare Associations and
- Radiology Informatics Specialist
- Radiology Societies
- Healthcare Technology Entrepreneur
- Researchers
- Academics in the Field of Radiology
- Industry Professionals
- Students

WHO SHOULD ATTEND

- Radiologist
- Students Researchers
- Industry Professionals
- Physicians
- Healthcare Associations and Societies
- Pharmaceutical Industries
- Healthcare Faculty
- Business Entrepreneurs
- Medical Colleges and Universities
- Health insurance providers
- Researchers
- General audience

WHY TO ATTEND

Radiology 2024 offers a comprehensive platform featuring oral presentations, interactive sessions, seminars, and posters, all headlined by renowned keynote speakers who will provide insights on the latest advancements in Radiology and Diagnostic Imaging. The conference is dedicated to the advancement of Radiology by showcasing the most innovative techniques for diagnostic imaging and treatment, while also facilitating cross-cultural exchange and sharing of diverse experiences in this field. Our aim is to deliver an exceptional curriculum that encompasses the latest research and breakthroughs in Radiology and Diagnostic Imaging.

- Influential keynote speaker session
- 5+ Workshops
- 16 Interactive sessions based on evidence from 50 + speakers
- Faculty across 3 full days
- A mix of academic and healthcare delegations
- Potential Networking Radiology Contacts
