About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Vienna the old imperial residence city now a modern art center, remains a city for connoisseurs where you can enjoy endless waltzes, the exciting contrasts between imperial and modern architecture, a relaxed shopping trip or simply the life of coffee houses and Heurigen, trendy bars and sausage vendors and discos. There is no other city where so many famous composers have lived; the variety of music is manifold in Vienna. You can visit the "House of Music" and the memorial houses of Haydn, Mozart, Beethoven, Schubert, Johann Strauss and Arnold Schönberg..

Vienna is a city on which its ever-changing history has left an indelible mark, reflected in its rich cultural heritage. Viennese writers, musicians, artists and scientists have created new directions for the modern world in every field. Today, Vienna offers old historical palaces and modern shopping centers, Austrian food and haute cuisine, Viennese coffee houses and international restaurants, opera performances and jazz sessions, classical concerts and open-air festivals, antique shops and elegant boutiques all these contrasts are harmonized into something typically Viennese.

Vienna is different! Vienna was an imperial residence for several centuries and it has a great historical tradition. Follow in the tracks of the former Habsburg monarchy, visit the magnificent baroque castles "Schönbrunn" and "Belvedere" or visit the Hofburg, the Habsburg palace. You can also experience the spirit and the grand imperial style by visiting the Stephansdom, Spanish Court Riding School. Alternatively, you could try the Big Wheel at the Prater.

The old town of Vienna belongs to the UNESCO world cultural heritage.
