Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Paris is all set for an amazing event as PULSUS proudly presents the " International Conference on Robotics and Artificial Intelligence" slated on February 17-18, 2020 at Paris, France.

PULSUS cordially welcome researchers, academicians, students and business professionals from around the world to participate in the upcoming Robotics & AI 2020. The meeting for this year will revolve around the theme "**Probing innovations-opportunities in Robotics and Artificial Intelligence**" thus relaying the most cutting edge findings in the field of Robotics & AI 2020. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers, innovators and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
Robotics & AI 2020
Organizing Committee

Conference Highlights

- Introduction to Robotics
- Robot locomotion
- Robot Controlling
- Nano and Micro Robotics
- Motor and Sensor
- Robotics in Defence System
- Artificial intelligence
- Security and Surveillance
- Machine learning
- Robotics in Medical and Healthcare
- Robotics and AI in industries
- Robotics in Agriculture
- Humanoid robotics
- Network in robotics
- Data Science in Robotics
- Human Machine Interface
- Future of Robotics

PULSUS

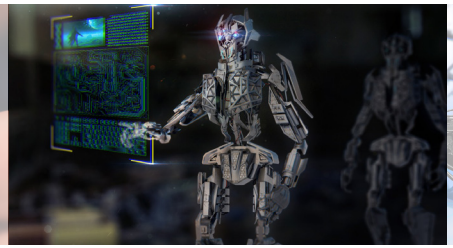

About Conference

PULSUS
WWW.PULSUSCONFERENCE.COM

Robotics and AI 2020 collaborates artificial intelligence with robots to allow robots to react and respond to their surroundings in real time, without guidance other than computer programming. The conference will create a huge opportunity and possibility of growth in robotics and artificial intelligence. The will event provides a great platform by gathering eminent professors, Researchers, Students and delegates to exchange new ideas. Robotics is a combination of engineering and technology, which includes different kind of engineering domains. Robotics is one of the emerging fields now in the industry. Now in approximately every sector robots are using for making simple the situations. For a robotic process, the system requires a combination of software and physical components such as; power supply, actuators, sensors, locomotive parts, storage devices, and control software. Robotics is now widely used in military, security, construction, and field of medical, agriculture, household operation, and education. This conference will also provide an insightful understanding to the problems arising out of the Artificial Intelligence and Robotics. The conference will cover a wide range of topics and allow participants to discuss about the new technologies developed in Robotics and Artificial intelligence field. The conference will help to understand different aspects in this field.

PULSUS

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

The global alternative medicine and therapies market size was over USD 30.0 billion in 2014. Notable drivers include lower side effects and growing patient awareness levels. Increasing geriatric population base, growing awareness about general health and well-being, and inclination towards leisure and relaxation are also likely to boost demand. According to the World Health Organization (WHO) in October 2014, the world's population of elderly people has doubled since 1980 and is projected to reach 2 billion by 2050. Moreover, the number of people over 80 years of age will be quadrupled to 395 million between 2016 and 2050.

Target Audience

- Mechanical engineers
- Industrial engineers
- Manufacturing engineers
- Mechatronics engineers
- Electrical engineers
- IT engineers
- Research faculty
- Students
- Business Entrepreneurs
- Directors/Managers/CEO's
- Providers of Robotics and AI Services
- Brand Manufacturers/ Marketers of Consumer Products
- Marketing, Advertising and Promotion Agency Executives

Who should attend?

- Engineering Students, Scientists and professors
- Robotics and artificial Intelligence Researchers
- technical Faculty
- Robotics and Engineering Colleges
- Robotics-Artificial Intelligence Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Software developing companies
- Robotics and AI companies

Why to attend?

- 10+ World renowned Keynote Speaker Session.
- 40+ Speaker faculty sharing evidence based on Robotics and Artificial Intelligence.
- 5+ Workshops.
- 13 Interactive sessions.
- Networking Opportunities

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

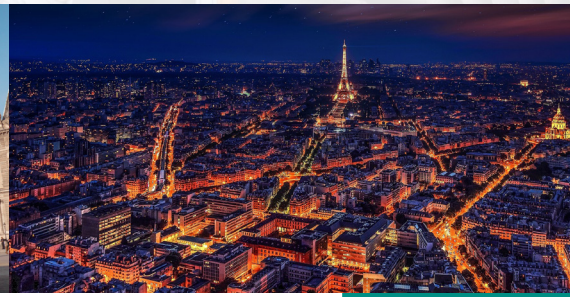

The capital of the France is Paris, situated in the north-central part of the country. Paris is the most populous city of France. Paris is also known as the “City of Light” or the “City of Love” because of its street culture, art, beauty, and history. Paris occupies a central position in the rich agricultural region known as the Paris Basin, the city ringed with the forests of beech and oak known as “lungs of Paris”. Europe’s major centres of finance, diplomacy, commerce, fashion, science, as well as the arts are situated at Paris. The Centre of the city contain the most visited monuments in the city, including the Notre Dame Cathedral and the Louvre as well as the Sainte-Chapelle. Les Invalides, where the tomb of Napoleon is located, and the Eiffel Tower are located on the Left Bank south-west of the centre as well as Paris provides a pleasant cultural journey of 2,185 monuments, 206 museums and many other outstanding sites and has appealing Louvre Museum, Picasso Museum, Garnier Palace, Luxembourg Palace. Paris economy consists of high-finance, banking, and tourist luxury goods.

Paris is situated on both banks of the Seine River in northern France. Paris is centrally located in the wealthy agricultural region known as the Paris Basin, the town surrounded by beech and oak trees. Capital city is not just France’s political and cultural capital despite the significant economic and commercial centre.

Sponsorship

PULSUS

Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

Diamond Sponsor: $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Gold Sponsor: $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Silver Sponsor: $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Bronze Sponsor: $3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

Exhibition Sponsor: $2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth
