Rome, the Eternal City, is the capital and largest city of Italy and of the Lazio region. It's the famed city of the Roman Empire, the Seven Hills, La Dolce Vita, the Vatican City and Three Coins in the Fountain. Rome, as a millennium-long Centre of power, culture and religion, has exerted a huge influence over the world in its roughly 2800 years of existence. It is situated on the river Tiber, between the Apennine Mountains and the Tyrrhenian Sea. Today, the city is the seat of the Italian government and home to numerous ministerial offices. Rome has 2.6 million inhabitants while its metropolitan area is home to around 4.2 million.

The historic Centre of the city is a UNESCO World Heritage Site. With wonderful palaces, millennium-old churches, grand romantic ruins, opulent monuments, ornate statues and graceful fountains, Rome has an immensely rich historical heritage and cosmopolitan atmosphere, making it one of Europe's and the world's most visited, famous, influential and beautiful capitals. Today, Rome has a growing nightlife scene and is also seen as a shopping heaven, being regarded as one of the fashion capitals of the world (some of Italy's oldest jewellery and clothing establishments were founded in the city).
