Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Osaka is all set for an amazing event as PULSUS proudly presents the "5th International Conference on Sexually Transmitted Diseases" slated on August 26-27,2019 at Osaka, Japan.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of STD from around the world to participate in the upcoming STD 2019. The meeting for this year will revolve around the theme "**Breaking Down Barriers towards Elimination of Sexually Transmitted Diseases**" thus relaying the most cutting edge findings in the field of STD. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
STD 2019
Organizing Committee

Conference Highlights

- Sexually Transmitted Diseases
- Viral STDs
- Bacterial STDs
- Fungal & Protozoal STDs
- Epidemiology of STDs
- Immunopathogenesis
- Stages of HIV Infection
- Cancer associated with STDs
- Clinical Diagnosis of STDs
- STDs Prevention and Treatment Strategies
- Nanotechnology in HIV Treatment
- Phytochemicals in STDs Treatment
- Vaccination and Vaccines Development
- Drug Development and Research
- Multimorbidities and Co-Infections
- Vertical Transmission of STDs
- Infertility and Birth Defects
- Psychosocial Interventions in STDs

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

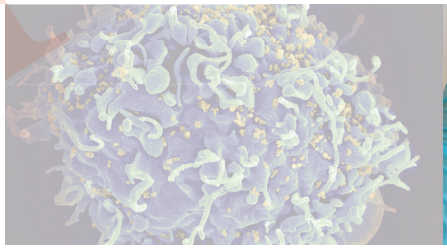

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

Sexually transmitted diseases are a global level health issue with ongoing research and development for therapies and drug for prevention and treatment of sexually transmitted diseases. STDs cause serious health complications such as infertility in both men and women, ectopic pregnancy, pelvic inflammatory disease, stillbirth, neurologic damage, cancer and high morbidity in adults. There are about 20 million new STD infections each year. As per WHO report in 2015, about 1.1 billion people had sexually transmitted diseases other than HIV/AIDS. About 500 million people were infected with either chlamydia, gonorrhea, syphilis or trichomoniasis. At least 250 million women suffering from human papillomavirus while 530 million case find with genital herpes.

Target Audience

- Sexual Health Specialists
- HIV counsellors
- Gynaecologist and Obstetrician
- Urologists
- Epidemiologists and Microbiologists
- Dermatologists
- Paediatrician
- Oncologists and Pathologists
- Infectious Disease Specialists
- Behavioral Specialists
- Nurse-practitioners
- Medical Professionals and Physicians
- Young Researchers and Students
- Community Health Educators
- Diagnostic Laboratory Technologist
- Social Workers
- Medical Institutes
- Educational Institutes
- Pharmaceutical Companies
- Training Institutions

Why to attend?

The STD 2019 conference explores advances in practice, management and education in relation to health disparities as well as a breadth of other topics associated with sexually transmitted diseases. Sexually Transmitted Diseases (STDs) are among the most infectious diseases which is caused by bacterial, viral and protozoal pathogens and are a major cause for morbidity and mortality in many developing countries. The prime focus of the event is on the clinical advances in diagnostic methods, understanding drug resistance and mutation mechanism and different treatment strategies mainly focusing on drug development and research such as gene editing, nanotechnology in drug delivery system, phytochemicals in STDs treatment which can deliver better clinical care and treatment practices. This event provides an excellent opportunity for the young scientists and budding researchers to explore the advancements in the various fields associated with STDs.

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Japan is an island country in East Asia, located in the Pacific Ocean. It benefits from a highly skilled workforce and is among the most highly educated countries in the world, with one of the highest percentages of its citizens holding a tertiary education degree. Osaka is the third largest city with the population of over 2.5 million people in its great metropolitan area. It was formerly known as Naniwa and was briefly the capital of Japan. It has been the economic powerhouse of the Kansai region for many centuries. From June to mid-September, summer begins at Japan and the weather is relatively hot and humid. Summer is the most festive time of the year in Japan with festivals throughout the country in all their colour, tradition and exuberance. Tenjin Matsuri Osaka's biggest summer festival filled with traditional costumes, spectacular processions and a celebratory atmosphere takes place at the end of July month. Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. Sumiyoshi-taisha is among Japan's oldest Shinto shrines. The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its main historical landmark. It's surrounded by a moat and park with plum, peach and cherry-blossom trees.

Sponsorship
