INTERNATIONAL CONFERENCE ON

SURGERY AND ADVANCED SURGICAL TECHNIQUES

NOVEMBER 02-04, 2023 | AMSTERDAM, THE NETHERLANDS

https://surgery.cmesociety.com/

INVITATION

SURGERY 2023

Greetings from Surgery 2023!

We cordially invite speakers, attendees, sponsors, and exhibitors from around the world to participate in the upcoming **International Conference on Surgery and Advanced Surgical Techniques** to be held on **November 02-04, 2023 in Amsterdam, The Netherlands.**

The theme of our conference is "**Advancing Technology in Surgery to Shape the Future of Medicine**"

As we come together to exchange knowledge, ideas, and perspectives, we hope that Surgery 2023 will provide a dynamic platform for learning, growth, and connection.

Through engaging keynote presentations, interactive discussions, and networking, Surgery 2023 aims to inspire collaboration, foster innovation, and promote excellence in surgery and medicine.

Surgery Conference 2023 is an excellent opportunity to develop your knowledge, build your network, and contribute to surgery advancements. Together, we can push the boundaries of what is possible and make a significant impact on the future of surgery.

Attend the conference to stay up to date on surgery developments.

We look forward to meeting you in Amsterdam, The Netherlands.

Regards

Steve Rogers | Program director

Surgery 2023

- Anesthesia
- Cardiac Surgery
- Neuro Surgery
- Thoracic Surgery
- Laparoscopic Surgery
- Endoscopic surgery
- Orthopedic surgery
- laser Surgery
- Ocular Surgery
- Gynecology surgery
- Bariatric surgery
- Surgical Oncology
- Transplantation surgery
- Pediatric Surgery
- vascular Surgery
- Plastic Surgery
- Otorhinolaryngology Surgery
- Acute Care Surgery
- Remote Surgery
- Oral and Maxillofacial Surgery
- Endocrine surgery
- Robotic-assisted surgery
- Magnetic surgery
- Surgical devices
- Surgical infection
- Surgical wound management
- Surgical scar and skin treatment
- Surgery and trauma care
- Advancements in Surgery

35

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The global market for general surgery devices is expected to grow at a CAGR of 8.29% from 2022 to 2030, driven by rising patient awareness and technological advancements. Orthopedic surgery holds the largest market share in 2021, followed by cardiology due to increasing cardiovascular disorders. Hospitals dominate the market with over 58.85% of overall revenue. North America generated the most revenue in 2021, contributing over 39.90% of the total revenue. The market for general surgical devices in Europe is expected to expand at a CAGR of approximately 6.1% during the forecast period, with France leading the market with a value of €15.7 billion in 2019. The French market is expanding due to rising demand for minimally invasive devices and increasing healthcare costs. Handheld surgery instruments are in demand in France as surgical procedures increase. French companies are developing cutting-edge medical technologies and devices.

TARGET AUDIENCE

- Surgeons
- Medical professionals
- Anaesthesiologists
- Medical students
- Fellowship holders
- Physician assistants
- Surgical technicians
- Nurses
- Pharmaceutical industries
- Dentists
- Cardiologists

WHO SHOULD ATTEND

- Research scientists
- Nurses and Technicians
- Medical Students
- Industry representatives
- Ophthalmologists
- Surgical tool technicians
- Radiologists
- Otolaryngologists
- Dieticians
- Radiation Oncologists
- Pediatricians, Speech therapists
- Pathologists
- Clinical Nurse specialists
- socities

WHY TO ATTEND

Surgery2023 is a premier conference that brings together surgeons, residents, nurses, researchers, and industry representatives in the field of surgery. The conference offers a comprehensive program of workshops, seminars, and educational sessions on a wide range of topics related to surgery. Our conference provides a unique opportunity to gain exposure to new ideas and emerging trends in the field of surgery. Attendees can learn from experts in the field and gain insights into the latest techniques and treatments. objectives of our conference Ideas are being swapped at this conference. This is an incredible opportunity for you to present your thoughts and impart your extensive knowledge.

- Influential keynote speaker session
- Faculty across 3 full days
- A mix of academic and healthcare delegations
- Interaction

https://surgery.cmesociety.com/scientific-program

ABOUT VENUE

The Netherlands is located on the IJsselmeer and connected to the North Sea. It is the capital and the principal commercial and financial center of the Netherlands. To the scores of tourists who visit each year, Amsterdam is known for its historical attractions, its collections of great art, and the distinctive color and flavor of its old sections, which have been so well preserved.

Cultural Diversity:

Amsterdam is renowned for its cultural diversity, which is a result of its rich history as a trading city and its openness to immigration. The city has long been a melting pot of different cultures, and this diversity is celebrated and embraced by its residents. Amsterdam is home to a large international community, with people from all over the world living and working in the city. This multicultural environment contributes to a vibrant and cosmopolitan atmosphere.

Climate:

In the summer you can anticipate average temperatures around 23 °C. Humidity levels also rise in the summer.

Currency and transportation:

The official currency of the Netherlands, including Amsterdam, is the Euro (EUR). It is advisable to exchange your currency for Euros before or upon arrival in Amsterdam. Euros are widely accepted throughout the city.

City of attractions:

An Amsterdam Tourist Attraction which cannot be missed is a visit to the historical Rijksmuseum in Museum Square which is home to many beautiful and renowned artifacts. This museum has artifacts of great significance and importance since the 13th Century with more than a million artifacts being there.

Abstract submission opens: March 01, 2023 | **Registration opens:** March 01, 2023
Early bird registration: June 30, 2023 | **On spot registration:** November 02, 2023
