INVITAION

UROLOGY 2023

PULSUS puts a modern twist on conferences by introducing the latest science developments in your field. Listen to inspiring keynotes from the authors, or touch elbows across the globe with pioneers. We PULSUS proudly presents the "**6th International Conference on Urology and Renal Health**" slated on May 04-06, 2023 in **Zurich, Switzerland** with the theme "Exploring the new trends in the field of Urology.

Urology 2023 is an annual three-day meeting that brings together Urologist, Nephrologists,

Renal Transplantation surgeons, Doctors, Health care executives from all around the world. Participants can make presentations, present posters, exchange information and interact with current and future experts.

We offer an important platform for scientists and academics to share ideas and work by providing a venue for dialogue by foreign conferences and meetings on the possibility of potential cooperation between universities, organizations, academic bodies, and organizations from various nations. The conference focuses on Urology and Renal care wherein the decisions about the care of the patient are based on the research about the patient's needs, costs, preferences, and clinical expertise available.

ABOUT VENUE

The largest city in Switzerland, Zurich is a major contemporary art and shopping destination. Important artworks are displayed in the Kunsthaus and the Rietberg Museum, while those who consider shopping an art can hone their skills along Bahnhofstrasse and Niederdorf. Chagall's stained glass windows in the Fraumunster amaze, and Zurich's 500 clubs and bars-including several in swimming pools-pulse with life 'til the early hours. This city on Lake Zurich has excellent public transit and a free bike rental system. Zurich is Switzerland's centre of economic life and education. Located in the heart of Europe, the city offers all the modern amenities of a cosmopolitan metropolis, without sacrificing its natural side. Zurich has for years ranked among the world's top cities in terms of quality of life. It is a boutique city that offers everything that implies, albeit in small and exquisite format.

An economic hub, university city and boutique metropole by the water offering a high quality of life: Zurich combines the advantages of a green and modern city at the foot of the Alps with excellent infrastructure and a strong network of business, education and ambitious start-ups. The city is a centre of research, development, business formation and innovation, not to mention a great place to live.
