INNOVATE.
ENLIGHTEN.
INTEGRATE.

VASCULAR BIOLOGY 2019

November 11-12, 2019
London, UK

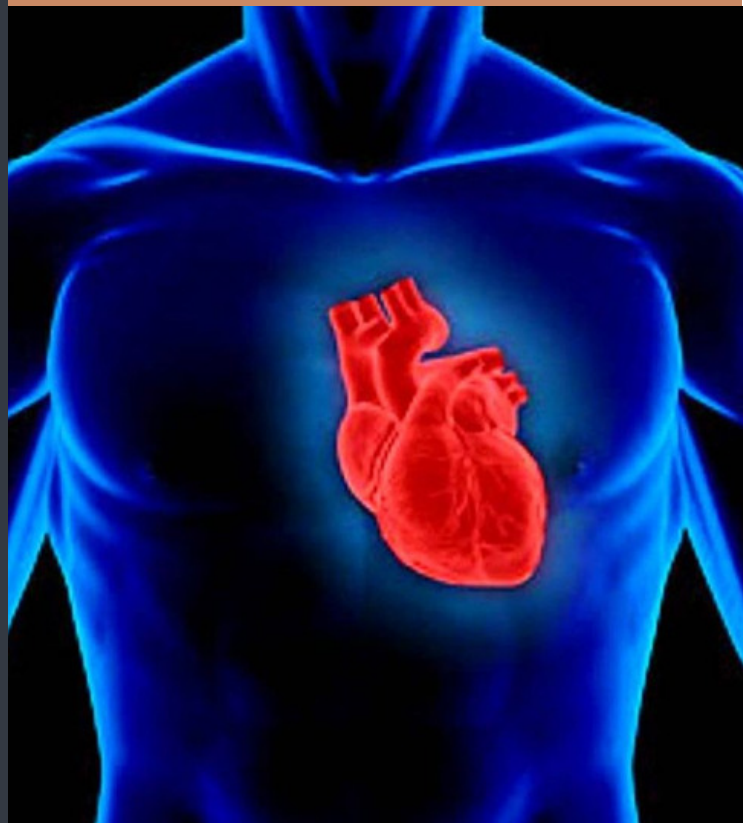

WHAT TO EXPECT

Vascular Biology 2019 offers an enthusiastic opportunity for the growing generations occupied in various researches to improve their abilities in the field. It focuses on entailing several interactive scientific sessions that provide a benefit in learning Cardiology and Vascular Biology.

WHY YOU SHOULD JOIN US

The conference is the premier forum for professors, researchers, members from the renowned societies and institutes, young researchers from academia and industry to explore their shared interest in the field of cardiac & vascular medicine.

EXPLORATION POINTS

- Vascular Biology and Vascular Surgery
- Fundamentals of Cardiology
- Vascular Forms
- Cardiology Forms
- Congenital Heart Diseases
- Vascular Diseases
- Cardiovascular Diseases
- Diseases: Diagnostic and Therapeutic Approaches
- Pediatric Vascular Anomalies
- Endovascular Interventions
- Clinical Trials
- Genetics and Vascular Transcriptomics
- Cardiac & Vascular Imaging
- Vascular Pharma
- Alternative Medicine
- Cardiology: The Future Medicine
- Research Advancements

PRESENTATIONS

- **Vascular Catheter-Site Care Using Different Skin Antiseptics for Prevention of Catheter-Related Blood Stream Infection: A Meta-Analysis by Dr. Martin Kristoff Ogbac, C.P. Reyes Hospital, Philippines**

- **A Smart Clinical Decision Support System using a Multi-layer Ensemble classifiers Framework, by Mustafa Jan, PNEC, NUST, Pakistan.**

- **The effects of cold therapy and respiratory relaxation technique on pain and anxiety related to chest tube removal in patients who had open heart surgery by Zahra Sajedi Monfared, Tehran University, Iran.**

- **AGXT2 and DDAH-1 Genetic Variants are Highly Correlated with Serum ADMA and SDMA Levels and with Incidence of Coronary Artery Disease in Egyptians, by Dr. Sally Ibrahim, German University Cairo, Egypt.**

- **Lymphedema: Update on diagnosis and management by Dr. Samer Ellahham, Cleveland Clinic, Abu Dhabi**

- **Update on Use of Sacubitril/Valsartan in Heart Failure Patients. by Dr. Samer Ellahham, Cleveland Clinic, Abu Dhabi**

- **Anemia in acute coronary syndrome: A cross-sectional study by Mr. Hamza Maqsood, Nishtar Medical University, Pakistan**

- **Peripartum Cardiomyopathy: A Case Report by Mr. Hamza Maqsood, Nishtar Medical University, Pakistan**
- **Usefulness of the platelet-to-lymphocyte ratio in predicting long-term cardiovascular mortality in patients with peripheral arterial occlusive disease by Dr. Anil Sahin, Istanbul Mehmet Akif Ersoy Thoracic and Cardiovascular Surgery Training and Research Hospital, Turkey**
- **Prevalence of Drug Eluting Stent Restenosis and Its Correlation with Culprit Coronary Artery by Dr. Anthony Matta, Holy Spirit University of Kaslik, France**
- **Coronary artery disease is strongly associated with valvular heart disease, but could it be an important predictive factor? by Dr. Anthony Matta, Holy Spirit University of Kaslik, France**
- **Impact of SYNTAX Score on In-hospital Outcome after Primary Percutaneous Coronary Intervention by Mr. Shariful Islam, National Institute of Cardiovascular Diseases, Bangladesh**
- **RAVS Study – Single center analysis of patients with VTE by Dr. Vivek Vardhan, Ramaiah Medical college, Bangalore, India.**
- **Inhibition of endoplasmic reticulum stress and mitochondrial oxidative stress as potential therapies to limit the progression of AAA and hypertensive heart disease by Dr. María Galán, Sant Pau Biomedical Institute, Barcelona, Spain**

- **Evaluation of Blood Lactate Level as Predictor of Early Adverse Outcome after Cardiac Surgery under Cardiopulmonary Bypass by Dr. MAK Azad, National Heart Foundation Hospital & Research Institute, Dhaka, Bangladesh.**
- **Outcome of early vs delayed invasive intervention in Acute Coronary Syndrome (ACS) patients attending a selected specialized hospital: A comperative study by Dr. Masuma Shafi, Ibrahim cardiac hospital & RI, Dhaka, Bangladesh.**

IMPORTANT DATES:

Early Bird Registration: September 11, 2019

Abstract Submission Deadline: September 30, 2019

On-spot Registration: November 11, 2019

REGISTRATION LINK:
