Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Dublin is all set for an amazing event as PULSUS proudly presents the "**2nd World Congress on Veterinary Medicine**" slated on May 26-27, 2021 at Dublin, Ireland.

Pulsus cordially welcome researchers, academicians, students and business professionals in the field of Veterinary sciences from around the world to participate in the upcoming Veterinary medicine 2021. The meeting for this year will revolve around the theme "**Magnifying the safety and protection of Animals**" thus relaying the most cutting edge findings in the field of Animal Research. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.
