4TH WORLD CONGRESS ON VETERINARY MEDICINE AND ANIMAL CARE

December 08-09, 2022 | DUBAI, UAE

INVITATION

VETERINARY MEDICINE 2022

On behalf of our scientific & international committee, we welcome all the veterinary researchers, veterinary surgeons, veterinary professors, academicians, young researchers, scientists & all the emerging pillars of the veterinary field for the "**4th World Congress on Veterinary Medicine and Animal Care**" on **December 08-09, 2022** in Dubai, UAE for the study of animal health and veterinary medicine.

Veterinary medicine 2022 promises to be a long-lasting event that will bring together speakers and delegates from all around the world.

Over 500 people are expected to attend, including international luminaries at the forefront of the field who will present the latest cutting-edge developments in fundamental veterinary medicine research. We've planned scientific presentations around a variety of current and cutting-edge topics, as well as seminars and networking opportunities to encourage interaction.

This is an opportunity to participate in one of the most important international veterinaries medicine conferences, held in one of the world's leading scientific superpowers.

The event is open to young investigators, physicians, scientists, researchers, trade partners, and policy activists.

Looking forward to seeing you in December 2022.

Regards
Jessica Lois | Veterinary Medicine 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

ABOUT US

For many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies, and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity's

With a legacy of 30 years of excellence in Medical Publishing, we are endorsed by various societies like the International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Pediatric Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, International Federation, and World Association of Integrated Medicine to nurture the research and development for the The beneficence of society.

MARKET ANALYSIS

The veterinary conference will be organized around the theme Veterinary Health! Imagining the future by embracing change & transformation as Veterinary. Our goal is to deliver an outstanding program that covers the entire spectrumof research & innovations in veterinary, and animal care and shares the cross-cultural experiences of various treatment procedures.

TARGET AUDIENCE

- Veterinarians
- Veterinary specialists
- Scientists
- Scholars & academicians
- Diagnostic laboratory professionals
- Healthcare professionals
- Veterinary rehabilitation
- Transitional care

WHO SHOULD ATTEND

- Veterinary Faculty
- Veterinary Medicine Faculty
- Animal Sciences Faculty
- Veterinary Students
- Animal Science Students
- Veterinary Nurse
- Veterinary Groups
- Veterinary Societies
- Veterinary Associations
- Animal Health Companies
- Stake Holders (both Academia & Industry)
- Innovators & Researchers
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

WHY ATTEND

Humans are mainly dependent on animals for food, service, and companionship. In this new era, animals play a vital part in research in which diseases are diagnosed and pharmaceutical therapies are invented. This Veterinary Medicine conference mainly focuses on growth taking place in the veterinary field. Animal health plays a major role in biomedical research, wildlife, care of companion animals, ecosystem management, agricultural systems, food, and public health.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision-makers.

A cost-effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal government departments and the private sector.

Time to present the latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials
