About Conference

PULSUS brings an advanced revolution by demonstrating the most recent advancement in the field of Gynecology and Obstetrics. Observe the keynotes from the expertise professionals and also fraternize with the inventors and developers around the globe. Barcelona is all set for an amazing event as PULSUS proudly presents the "3rd World Congress on Gynecology and Obstetrics" slated on August 31 - September 01, 2020 . 3rd World Congress on Gynecology and Obstetrics has been planned to invent a multidisciplinary approach with a legion of tracks to designate from each division which brings you an extraordinary convenience to reach the peers from both academia and industry and also to inaugurate a scientific network with them. We warmly welcome all the interested people to come and accompany us at our event and make it prosperous by your involvement and participation. The conference will be organized around the theme 'Creating Cognizance Anent Adjourning Motherhood'. Our aim is to organize and transfer an eminent event which comprises the maximum scope of innovations and research in the field of Gynecology and Obstetrics and to share the cross-cultural understanding of diverse medicinal science and treatments.

World Health Organisation announced that, "The influx of large numbers of people to mass gathering events may give rise to specific public health risks because of COVID-19 occurrence more through over the world".Because of that PULSUS recommends scientists, delegates and scholars to participate in online events and webinars. Thus we have planned to conduct WCGO 2020 as a Webinar. These events make your participation in online with guarantee the health of all involved in the events due to there is no physical gathering. From home with safe you can explore your ideas about your research.Webinars and Online event aims to support all scientists and scholars from all over the world in delivering their ideas by a safe and successful event. The goal of webinar/online event is to make international online events as safe as possible from public health risks of the Covid-19 with technical support to host for events.

About Conference

Why to attend?

This is a best chance to meet up with large gathering of participants, specialists, experts around the globe from the overall field of medicine majorly focused with gynecology and Women health. The whole theme is to create awareness about the importance of motherhood, which we planned to be possible by making the attendees to learn from the experts and one another. The event comprises of conducting presentations, disseminate knowledge, to reach with current and potential scientists, to gain sprinkles of recent diagnostic treatments in Gynecology , advancement in women health, modern modalities in prenatal and postnatal health, importance of childbirth and growth. The fetal development and care remain as the trademark of the conference.

Note: If your research paper was not yet published you can submit your full length article instead of abstract, to publish in our webinar supporting journals. And also make expose your company brand to 25+ million users by advertising your company logo in our website : https://gynecology-obstetrics.cmesociety.com/

Scientists/Scholars/delegates who participated in the webinar/online event will get below benefits and some discounts on upcoming online events.

- *Access to All Sessions Online,*
- *E-Handbook & E-Conference Kit,*
- *E-Certificate of Presentation,*
- *Online publication of Abstract and Biography in our website which has 25 Million visitors,*
- *Online publication of Abstract and Biography in respective conference webpage which has 25,000 online unique subject experts visitors*

About Conference

Target Audience

- *Gynecologists and Obstetricians*
- *Gynecology and Obstetrics Researchers*
- *Gynecology and Obstetrics Scientists*
- *Gynecology and Obstetrics Professors*
- *Medical Students*
- *General Physicians*
- *Nurse Midwifery*
- *Nurse Practitioner*

(Women health & child health)

- *Healthcare Faculty*
- *Medical Colleges*
- *Healthcare Associations and Societies*
- *Gynecology and Obstetrics Associations and Societies*
- *Medical and Healthcare Business Entrepreneurs*
- *Medical Instruments Industries*
- *Women Healthcare Students,*
- Scientist, Professors

Conference Opportunities

For Business Delegates

- *Speaker Presentations*
- *Networking opportunities*
- *Audience participation*

For Researchers and Faculty Members

- *Speaker Presentations*
- *Poster Display*

For Students and Research Scholars

- *Poster Competition (Winner will get Best Poster Award)*
- *Young Researcher Forum (YRF Award to the best presenter)*
- *Student Attendee*
- *Group registration*

For Universities, Associations & Societies

- *Association Partnering*
- *Collaboration proposals*
- *Academic Partnering*
- *Group Participation*

Conference Highlights

Gynecology and Obstetrics

Fetal and Maternal Medicine

Prenatal Healthline

Neonatology

Clinical Research in Maternal Fetal Medicine

Gynecologic Oncology

Birth Defects

Nurse Midwifery

Obstetricians Roles and Responsibilities

Bariatric Surgery and Pregnancy

Prenatal Screening and Diagnosis

Umbilical Study

Infertility- Recent Facts

Preterm Birth and Prevention

Multifetal Pregnancy

Application of Herbal Treatment in Fetal Development and Health

Medical Impediments in Pregnancy

Advances in Global Women Health

History of Obstetrics

Hygiastics during Pregnancy

Pulsus Group

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from the USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Important Dates

Abstract submission opens: March 20, 2020
Registration opens: March 20, 2020
Last Date to register : August 15, 2020
