5TH WORLD CONGRESS ON
ORTHOPEDICS & ARTHROPLASTY SURGERY

NOVEMBER 21-22, 2022 | LONDON, UK

https://arthroplasticsurgery.pulsusconference.com/

INVITATION

WCOA 2022

WCOA 2022 intends to host all the well-known Orthopedists, Researchers, Plastic surgery Doctors, Arthroplasty surgeons, Medical professionals, Fellowship holders, Residents, Pharmaceutical industries and Healthcare professionals related to the field of Orthopedics and Arthroplasty. The conference with the theme “Explore the Latest Advances in Orthopedics and Arthroplasty Surgery”, which implies that WCOA 2022 will be a venue for exploring the advances in the field of Orthopedics and Arthroplasty.

In this gathering, the major advances in techniques, materials and procedural changes related to Orthopedics will be discussed and outcomes of the procedures are to be shared. This conference will serve a unique opportunity for the delegates of Medical Universities and Orthopedics companies as it allows people to interact with industry leading Orthopedists and Business persons. WCOA 2022 will not only be a venue hosting the largest gathering of Arthroplasty surgeons and related professionals, but also attempts to spread Knowledge on advances in the ever changing-field of Orthopedics.

WCOA 2022 includes Keynote speeches, Plenary sessions, Oral and Poster presentations. The interested professionals can confirm their participation by registering in WCOA 2022.

Register soon and avail Exciting Early bird discounts.

Regards
WCOA 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

- Orthopedics
- Orthopedic Clinical Determination
- Orthopedics Surgery
- Osteoporosis
- Arthroplasty
- Osteoarthritis
- Rheumatoid Arthritis (RA)
- Knee Arthroplasty
- Shoulder Arthroplasty
- Hip Arthroplasty
- Spinal Surgery
- Anterior Longitudinal Ligament
- Arthroscopy
- Consequences of Arthroscopy
- Exercise and Sports Medicine
- Physical Medicine and Rehabilitation
- Bone and Joint Infections
- Podiatry
- Prosthetics and Orthotics
- Orthopedic Trauma

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The global muscular gadgets market was $37.2 billion in 2018, and it is expected to be around $47.7 billion by 2026, with a compound annual growth rate (CAGR) of 3.1% from 2019 to 2026. health gadget is produced to help a harmed bone by supplanting the harmed piece of the bone and restoring the normal capability of the skeleton. As per the World Health Organization (WHO) 2017, musculoskeletal issues are turning out to be more normal as individuals become more seasoned, and in the East Mediterranean and African districts, the outer muscle condition was over the top. It is change due to contrasts in ecological, racial, and geographic variables.

The coronavirus has caused enormous aggravation in medical service work processes all over the planet. Different businesses, including a few sub-spaces of medical services, have been compelled to close their entryways briefly because of the illness. As per the Commonwealth Fund, it is normal to bring about a generally 60% decrease in by and large short-term visits by May 2020 because of COVID 19.

TARGET AUDIENCE

- Surgeons
- Health-care Analysts
- Students, Interns and Residents
- Research Faculties
- Doctors and Nurses
- Directors/Managers/ CEO's
- Presidents & Vice Presidents
- Scientists and Professors
- Academic Scientists
- Medical Colleges, Universities
- Societies & Associations
- Business Entrepreneurs
- Training Institutes
- Manufacturing Medical Devices Companies
- Industry Professionals

WHO SHOULD ATTEND

- Researchers in the field of Orthopedics and Arthroplasty
- Presidents & Vice Presidents
- Directors/Managers/CEO's
- Surgeons
- Medical Device Companies
- Pharmaceutical Companies
- Health care associations and Societies Training Institutions
- Business Entrepreneurs
- Practitioners in Surgery
- Health care Faculty
- Academic scientists
- Students

WHY TO ATTEND

WCOA 2022 is an international platform for presenting research about diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Orthopedics and Arthroplasty for the benefit of both the academia and business. The organizing committee of this WCOA 2022 Conference is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world.

ABOUT VENUE

London grew from three awesome centres: the walled promise based by the Romans at the banks of the Thames inside the 1st century CE, these beings called the City of London, “the Square Mile,” or actually “the metropolis”; going through it across the bridge at the lower pebbles of the south bank, the suburb of Southwark; and a mile upstream, on a splendid southward bend of the river, the City of Westminster. The 3 settlements had awesome and complementary roles. London, “the City,” evolved as a centre of change, trade, and banking. Southwark, “the Borough,” have become regarded for its monasteries, hospitals, hotels, festivals, pleasure homes, and the incredible theatres of Elizabethan London—the Rose (1587), the Swan (1595), and the arena-famous Globe (1599). Westminster grew up round an abbey, which introduced a royal palace and, in its teach, the entire principal equipment of the British kingdom—its legislature, govt, and judiciary. It additionally enjoys spacious parks and the most elegant districts for living and shopping—the West End. The north-financial institution settlements merged right into a single built-up area inside the early a long time of the seventeenth century, but they did now not integrate into a single enlarged municipality. The City of London turned into specific among Europe’s capital towns in retaining its medieval boundaries.
