Invitation

If you are a diabetologist, cardiologist, endocrinologist, nephrologist, lipidologist, internist, or a clinician with an interest in Diabetes, this meeting is for you!

2nd International conference on Diabetes and Endocrinology, world's premiere international educational event on Diabetes and Endocrinology will be organized on **December 9 and 10, 2019** at the **Barcelona, Spain**.

Discuss science, to learn about the exciting developments in Diabetes, to break away from the daily routine and to enjoy everything that the city of Barcelona has to offer.

Take part in our provocative and engaging exchanges with leading diabetes experts & expand professional networks with colleagues from around the world.

A great tasting lunch with the opportunity to connect and make some new friends who totally get you.

The ultimate goal of this Diabetes conference is to discuss about the most effective cutting-edge strategies to help doctors to reach their treatment goals with patients with type 1 diabetes and type 2 diabetes and avoid the associated acute and chronic complications. We promise to infuse some good eats and interesting interaction along the way.

Internationally leading scientists in diabetes research are joining us here in to present and discuss their most recent research and achievements during this event.

We personally invite you to join us in this exciting endeavour.
