Invitation

Pulsus conferences insist participants from all over the world clock in "**World Congress & Exhibition on Wind & Renewable Energy (WCEWRE)"** during **September 11-13, 2023 | Berlin,Germany**. The theme of the conference this year is ***"Harvesting the Power of Nature : Advancements in Wind and Renewable Energy"*** which guarantees an outstanding science program supporting many esteemed speakers who are tormented by intuition Through providing access to ongoing training and networking opportunities, the conference aims to improve the practice of advancing the profession for the benefit of the people and the individual patients they represent.

Regards
Wind & Renewable Energy 2023
Organizing Committee

Conference Highlights

- Wind Energy
- Off Shore Wind Energy
- Onshore Wind Energy
- Smart Grid Integration
- Future of wind Energy
- Solar Energy
- Hydro Energy
- Geo Thermal Energy
- Biomass Energy
- Tidal Energy
- Energy Storage
- Renewable Energy Policy and Regulation
- The future of renewable energy
- Power Generation
- Sustainable Development
- Waste-to-Energy

Agenda

Day-01- September 11, 2023 | Monday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Wind Energy | Off shore Wind Energy | On Shore Wind Energy
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Smart Grid Integration | Future of Wind Energy | Solar Energy | Hydro Energy | Geo Thermal Energy
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Biomass Energy | Tidal Energy | Energy Storage

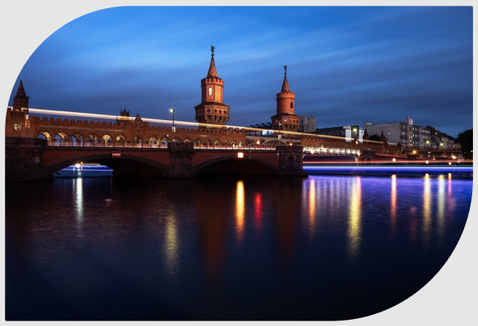

Tentative

Day-02- September 12, 2023 | Tuesday

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Renewable Energy Policy and Regulation | The future of renewable energy | Power Generation
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Sustainable Development | Waste-to-Energy | Climate Change
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Environmental Engineering | Geophysics | Structural Geology | Environmental Geo Science
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day 3 Program Updated soon.....	

Tourist Attractions

Berlin, the capital city of Germany, is a vibrant and culturally diverse metropolis that exudes a sense of history, creativity, and innovation. Berlin has played a central role in European history, from being the capital of the Prussian Empire to the tumultuous events of the 20th century, including World War II and the Cold War. The city has witnessed significant historical moments, and remnants of its past can still be seen in landmarks like the Berlin Wall, Brandenburg Gate, and Checkpoint Charlie. Berlin is renowned for its thriving arts and culture scene. It is home to numerous world-class museums, galleries, theaters, and music venues. Institutions like the Museum Island, the Berlin Philharmonic, and the Berlin State Opera showcase the city's commitment to preserving and promoting art, music, and performing arts. Berlin boasts an eclectic mix of architectural styles, ranging from historical landmarks to modern marvels. The city's skyline features iconic structures like the Reichstag building, the Berlin Cathedral, and the Fernsehturm (TV Tower), which offer stunning views of the city. The contemporary architecture at Potsdamer Platz and the revitalized Hackesche Höfe showcase Berlin's modern face. Despite being a bustling urban center, Berlin is abundant with green spaces and parks. The Tiergarten, the city's central park, provides an oasis of tranquillity with its vast green lawns, lakes, and tree-lined paths.
