Invitation

Pulsus conferences insist participants from all over the world clock in "**2nd Global Summit on Womens health Nursing**" during **July 28-29** in **Zurich Switzerland**. The theme of the conference this year is "**Challenges encountered by the Nursing sector in Womens healthcare during Covid-19**" which guarantees an outstanding science program supporting many esteemed speakers who are tormented by intuition

Through providing access to ongoing training and networking opportunities, the conference aims to improve the practice of advancing the profession for the benefit of the people and the individual patients they represent.

A women's health nurse practitioner is a nurse practitioner that specializes in continuing and comprehensive healthcare for women across the lifespan with emphasis on conditions unique to women from menarche through the remainder of their life cycle.

Tourist Attractions

Venue

Zurich, being in the heart of Switzerland and in the centre of Europe, is one of the most important financial centres in the world.

It has a unique mix of well-preserved Old Town and hectic modern life having a magnificent view of the snowy Swiss Alps. Zurich, according to recent studies, is considered as the highest standard of living in the world.

This charming compact city is situated on the picturesque northern shores of Lake Zurich with the Limmat River, which flows out of the lake and runs through the scenic of the town. It is truly a perfect location for beautiful photos. During good weather conditions, you can see across the lake the Swiss central Alps.

More than 1200 drinking water sources that spread within the city make Zurich one of the fountain richest cities in the world. In addition, public parks like the “Platzspitz” widely extend among the city area..
