49TH GLOBAL
NURSING CARE CONGRESS

JANUARY 23-25, 2023 | LONDON, UK

https://nursingcare.pulsusconference.com/

INVITATION

WORLD NURSING CARE 2023

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders or rub elbows with pioneers across the globe. PULSUS proudly presents the webinar on "**49th Global Nursing Care Congress**" scheduled on **January 23-25, 2023** at **London, UK**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Nursing from around the world to participate in the upcoming World Nursing Care 2022. The meeting for this year will revolve around the theme "***Transforming Global Nursing Research through Innovations***" thus relaying the most cutting-edge findings in the field of Nursing Care. The two-day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts..

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The Nursing Care facilities industry is fast-growing, but must simultaneously manage multiple competing cost concerns. Countries like North America followed by Europe are dominating the worldwide medical care market because of high healthcare expenditures. The U.S. is dominating the North American nursing care market because of the increasing prevalence of diseases. Asia is predicted to indicate a high rate of growth within the next 5 years. Nursing jobs are projected to increase by 9% from 2020 to 2030, which is about the same as the average for all professions. According to a report by The Business Research Company, the size of the global grooming market is expected to grow by about 9% annually to about $ 1 trillion by 2023.

The global medical device market is projected to maximize by 2027 and grow at a tremendous CAGR between 2021 and 2027.

The long-term care market consists of home and inpatient medical supplies and related product sales by companies (organizations, single owners, partnerships) that provide home and inpatient care. The industry includes facilities that provide home care services, home care facilities, personal services, counseling services, occupational therapy, nursing home services, social welfare services, and nutrition services.

Participants can:

- Take advantage of opportunities to learn about nursing education and research through various lectures and poster presentations.
- Meet and build networks with nurses, from students to deans, faculty, and researchers.
- Take advantage of the opportunity to work with nurses around the world.
- Participate in prominent plenary sessions on related issues affecting nursing education

TARGET AUDIENCE

ABOUT VENUE

The New Year brings plenty of things to do in London. During the beginning of January, you can typically catch the end of major Christmas events, during the rest of the month, you'll find lots of exhibitions, along with concerts, shows, and performances.

One of the finest times to travel on a low budget is January. There are active January sales, so you may save money while shopping at some of London's biggest malls.

This month, London's attractions are less crowded than normal, making it a fantastic opportunity to visit a museum and escape the queues at popular sites. Remember that many of London's attractions are free as well!

Visit the conference in London, UK.

Abstract submission opens: May 10, 2022 | **Registration opens:** May 10, 2022
Early bird registration: June 26, 2022 | **On spot registration:** September 26, 2022
