21ST WORLD CONGRESS ON POSITIVE PSYCHOLOGY AND BEHAVIORAL SCIENCES

SEPTEMBER 18-19, 2017

San Antonio,USA

PULSUS is all set for an optimistic tone for the conferences to escalate medical & scientific know-how and create cognizance on the latest research findings & unfoldings in a manner that testifies not only brilliance but also transparency

Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. San Antonio is all set for an amazing event as PULSUS proudly presents the "**World Congress on Positive Psychology and Behavioral Sciences**" on **September 18-19, 2017.**

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Psychology and Behavioral Science from around the world to participate in the up coming WPBS 2017. The meeting for this year will revolve around the theme "Psychological Well-being Can Shorten the Road to Wellness" thus relaying the most cutting edge findings in the field of Positive Psychology and Behavioral Science.

The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach.

Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards

WPBS 2017

About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

21st World Congress on Positive Psychology and Behavioral Sciences

SEPTEMBER 18-19, 2017| San Antonio,USA

Pulsus *Group takes pride in getting the endorsements of prestigious societies and medical research assosiations world wide.*

San Antonio is the 3rd largest city in Texas with rich Spanish culture. The city is visited by about 32 million tourists a year. This ranks the city 4th among Texas metropolitan areas and 38th in the United States. San Antonio's economy is focused primarily within military, health care, government civil service, financial services, oil and gas and tourism sectors.

The city contains five eighteenth century Spanish outskirts missions, including The Alamo and San Antonio Missions National Historical Park, which were assigned UNESCO World Heritage Sites in 2015. The Alamo Mission in San Antonio is the Texas' top vacation spot. As a result of the mission, San Antonio is regularly called the "Alamo City".

The River Walk is the city's second-most-visited attraction, giving it the additional nickname of "River City." Major tourist attractions are San Fernando Cathedral, The Majestic Theatre, Hemisfair(home of the Tower of the Americas, and UTSA's Institute of Texan Cultures), La Villita, Market Square, the Spanish Governor's Palace, and the historic Menger Hotel.

San Antonio is home to the first museum of modern art in Texas, the McNay Art Museum along with various institutions and museums like Art Pace, Texas Rangers Museum, Texas Transportation Museum, the Witte Museum etc. the University of Texas at San Antonio (UTSA), UT Health San Antonio, Texas A&M University–San Antonio, and the Alamo Community College District are the main Eeducational institutions in Sn Antanio.

Market Analysis

One in four people in the world will be affected by mental or neurological disorders at some point in their lives. Currently 450 million people suffer from such conditions all over the world, placing mental disorders among the leading causes of ill-health and disability .More than 40% of countries have no mental health policy and over 30% have no mental health programme as well. Around 25% of countries have no mental health legislation. The global market for Psychiatric & mental health drugs was worth $88.3 billion in 2015 whereas behavioral health software market will be $1.5 billion by 2019 globally. It is expected that mental health will rise through the rank up to second by 2020.The global behavioral health in terms of value, North America dominated the market with over 45% market share in 2014, followed by Europe with around 27%. In Asia Pacific region market segment mental health software will expand at highest CAGR of 16.7% during the forecast period 2019-20.
