AboutPulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Yoga and Physiotherapy Congress

October 16-17, 2017 Chicago, USA

Pulsus *Group takes pride in getting the endorsements of prestigious societies and medical research assosiations world wide.*

Market Analysis

Yoga therapy:

An emerging field in America "Yoga therapy is really just blossoming," yoga therapy hovers somewhere between a doctor's visit and a stretching class. Yoga therapist's work in small groups or private sessions, addressing specific health problems and adapting poses accordingly. According to the trade group International Association of Yoga Therapists (IAYT), membership has more than tripled in the last three years, and the number of schools offering training has doubled over the past two years.

Physiotherapy:

The Physiotherapy Services industry has benefited from Australia's aging population and rising private health insurance coverage over the past five years. Many baby boomers have reached retirement age and are becoming more susceptible to injuries that require physiotherapy. Physiotherapy services have also become more affordable for households over the past five years, as disposable incomes have grown. Industry revenue is forecast to rise at an annualized 3.5% over the five years through 2016- 17, to reach $1.6 billion. Slightly lower revenue growth of 2.8% is forecast for the current year.

Yoga and Physiotherapy 2017 provides the best opportunity to meet eminent people from all over the world. Accepted papers will be published in the following Pulses Group Journals.

- Journal of Physiotherapy & Physical Rehabilitation
- Journal of Novel Physiotherapies
- Journal of Yoga & Physical Therapy

About City
