

Hussain is a serial entrepreneur that has launched 4 companies and successfully sold two of them before his most recent venture Inagrab inc. Hussain comes from a banking background where he worked for several well known investment firms before one day deciding it's time for him to pursue his own dreams. He left without a plan, failed twice, and continued learning before his third company was sold to a private equity firm, and then his 4th Company got acquired by a family business. His current vision is to bridge the gap between businesses and people by monetizing word of mouth ultimately helping the unemployed 30% of youth in the MENA region using Inagrab's core product Dalooni.
