Letter of Recommendation

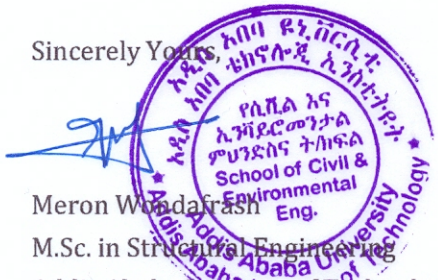

This letter of recommendation is written in favor of **Mr. Firaol Chalchisa** for his application in your Company. He graduated from School of Civil and Environmental Engineering, AAiT/AAU.

I have known **Mr. Firaol Chalchisa** while he was a 4th year undergraduate student at the School of Civil and Environmental Engineering, Addis Ababa Institute of Technology (AAiT).

In the process of conducting the class, he made unreserved effort by exploring his creativity, skills and knowledge's. Throughout the year, he was an active participant in our discussions, and he always supported his peers. His ability to work independently; acquiring new skills quickly is highly appreciated. Moreover, he is always eager to gain new knowledge and make new ideas.

He is genuine, well disciplined, good character and sociable with a reflective nature. I am certain that he is going to continue to do great and creative things in his future. I consider him as an intellect and potentially competent, it is for this reasons that I offer high recommendations without any reservation to join your Company. If you would like further information, please feel free to contact me.

Sincerely Yours,

To Whom It May Concern

I am very pleased to write this letter of recommendation to **Mr. Firaol Chalchisa** acknowledging his performance on taking Undergraduate courses at the school of civil and environmental engineering, AAiT.

I have taught Structural design Course to Firaol and his group mates during the academic year of 2017/17 while he is studying for his B.Sc degree at the School of Civil and Environmental Engineering (AAiT). As my student, he has shown a great academic charisma and diligence in his course work. He has exceptionally met my expectations during course time. Firaol has shown great team spirit and cooperation with his Classmates and he is one of the brilliant minds of his generations.

Considering his performance as a student, I have no reservation that he is capable of carrying any professional activity, be it academic or industrial. He is guaranteed to prove that he is an extremely valuable addition to any institute and establishment.

Therefore, I strongly recommend him for the post graduate studies and professional service to your institute. I wish him all the success in his future professional and academic endeavor.
