

Mazzeschi
Business Immigration

WWW.MAZZESCHI.IT

Mazzeschi is a boutique firm that specializes in corporate immigration and citizenship law, with offices in Milan, Rome, and Florence. Our client base consists of more than 70 of the Fortune 500 Companies, as well as foreign business investors. We provide services related to the relocation of management staff in Italy, assisting individuals with obtaining Italian business visas, residence permits, and visas for accompanying family members. We have the strongest team of lawyers and paralegals who focus on immigration issues, in addition to a well-established network of co-counsels who can provide assistance throughout all locations in Italy.

SERVICES

Immigration and naturalization

Work permits of any kind, visas and residence permits for workers and their families, residence registration, National Health Service registration, procurement of certificates, and legalization of documents. We also assist individuals with permanent residency and nationality issues.

Relocation Services

Through an affiliate relocation company we can assist clients with locating suitable short-term and long-term accommodations, negotiation of the lease agreement, setting up all utilities, settling in, removals/shipment of household goods, language tuition, spousal support.

Documents procurement and legalizations

We can obtain in every location any kind of certificates such as police clearances, marriage and birth certificates, and obtain Apostille and Consular legalizations.

Foreign visas and consular assistance

We assist clients based in Italy for the obtainment of business and work visas for foreign countries and we can provide any kind of assistance with foreign Consulates in Italy.

Ancillary Services

Car importation, converting or obtaining driver's licenses, obtaining Italian ID cards and tax codes, securing local parking permits, opening bank accounts, and generally solving any issues with public offices and utility providers.
