APPEAL

Please visit our Holkar Fundamental Research Foundation
Feel our fine dedication for Fundamental Researches.
Experience our medical contributions.
Follow our sophisticated clinical achievements.
Save and improve the family genetically.
Appreciate and Support us economically-
for our noble establishment-
in the great service of humanity .

Dr. Bhartendra Holkar
MD, FRSM, FACIP, FICOG, FICNMP, DSc.

PRESS CONFERENCES

1. 05.02.1974 – For The Demonstration of Fundamental Research Work In Human Genetics – Holkar's Doctrine.
2. 27.02.1975 – Regarding The Establishment of Holkar Fundamental Research Foundation, Indore.
3. 10.02.1982 – For The Demonstration of New Experimentation – Hurdle Learning In Earthworms.

ORIGINAL RESEARCHES

1. Transmission Code of Genic Resemblances. [1974]
   The Family Resemblances In Human Population.
2. Obstacle Learning In Earthworms.
   By Using of Newly Developed Hurdle–Running Tube Equipment.[1982]
3. The Effect of Psychotropic Drugs On Hurdle–Learning In Eathworms.[1983]
4. The Effect of Anticancer Drugs On Chick Embryo.[1985]

   Changes In Embryonic Structures And RNA-DNA Metabolism After The Treatment of Anticancer Drugs– Hydroxyuria, 6– Mercaptopurine And Podophyllotoxin.
5. Insulin free treatment with Cortisole& Growth Hormone in the Management of Diabetes Mellitus.[1994]

   A New Experimentation towards the word total control/Cure.

6. Placentral Extract And/GonadotrophinTheraph With Metronidazole And Quinolone In The Management of Primary Sterility Anovulatory And Immunologic In The Case of Functional Cystic Ovarian Disease FCOD.[1995]
7. GnRH agonist with steroid add – back long term treatment follow up by intra uterine procedure in the case of uterine fibroids.[1995]
8. Placentral Extract And/GonadotrophinTheraphy with Metronidazole, Quinolone and Cortisole in the Management of immunologic and Obstructive Azoospermia& Oligospermia.[1995]
9. Growth Hormone &Globuline Treatment In The Management of Immunologic & Ulcerative Recurrence of Leprous Disease.[1998]
10. Cortisole& Growth hormone &Globuline treatment in the management of severe Immunologic diseases Allergy, Shocks, Leprosy, HIV etc.[1999]
11. Invasive RFT/EST With TSI In The Treatment of Lymphoma Granuloma CA.[2003]
12. RFT/EST with TSI in NHL–Non Hodgkin's Lymphoma of the Breast.[2004]
13. Noninvasive RFT/EST With TSI In The Management Of RHD – Moderately Severe MR & AR Of Cardiac Valvular Rigidity.[2003]
14. Genetic Planning in Family Resemblances to improve the human family stock.[1995]
15. Genetic treatment the gene & cell therapy for the Genetic diseases & the disorders.[2005]

PUBLICATIONS

1. REMINISCENCE OF PROGRESSIONS [1995/2010]
   A Profile Of Independent And Original Work (1975-1995) – Souvenir.
2. LIFE FUNDAMENTALS.[2002]
   Magazine of Medicine & Health –
3. HAND BOOKS.[2002]
   Holkar's Doctrine, Hurdle Learning, Diabetes, Infertility.

BLESSINGS

1. Nobel laureate Dr. HarGobind Khorana, USA.
2. His Holiness Mahatma ShriNarayandasMaharaj,ShriBhartiyaMahavidyalaya the autonomous College, Shivpuri (M.P.) INDIA.
3. Hon'able Freedom Fighter Coln. Gurubaksh Singh Dhillon. 1974

SLOGAN

''साऽहोदिव्यंलभ्यः श्रीः कर्तुः प्रकृतिपरंईशः''

"The highest esteem of Life is the Realization
Of the working of Nature for the Almighty Creator".

HOLKAR FUNDAMENTAL RESEARCH FOUNDATION

INDORE (M.P.), INDIA

PREAMBLE

Holkar Fundamental Research Foundation is an Independent Research Organization with its Own Board of Control and is established for the promotion of fundamental researches for the Noble Service of Humanity.

OBJECTS

1. To invent new Fundamental Principles in Medicine & Health for the Noble Service of Humanity.
2. To extend improvements in Human Population by inventions in Human Genetics with developing of beneficial. Hereditary Characters and with treating the harmful Hereditary Characters mainly the hereditary diseases.
3. To invent new Fundamental Principles in the treatment of incurable diseases.
4. To explore the science – culture in Global Human Population.
5. To provide encouragement to the dedicated and enthusiastic young researchers of the world.

MONUMENTS OF BLESSINGS

Kindly bestow your honour's
Kind blessings for our "Self Guided
Researches" & "Holkar Fundamental
Research Foundation" for which
we have dedicated our Lives
entirely at this historic visit
to Ujjain.

yours ever,

31·10·74
Kumar Bhartendra R. Holkar.

31·10·74
Kumari Urmila Holkar.

With all good wishes
for success in your new
Venture. Yours truly,
Hargobind Khorana

BLESSINGS OF A HOLYMAN

OM

Discovery is the tendency of Human Nature, but it must be of Public Utilization.

BhartendraHolkar the Researcher of **Holkar'sDoctrine of Human Family Resemblances** is working towards in the same direction.

He has the Realisation of the living Power the **Life Principle/Rising Consciousness/ Kundalini Power,** the creater of living and Non-Living things.

For the Success, Keen Desire, Continuous Efforts, Favourable circumstances and enormous funds are needed.

If the **Nature favours,** the Researches of BhartendraHolkar will be boon for Mankind.

It is a hope that the Almighty Creater-the Godwill Bless him Graciously through the Nature.

Narayandas
