MAY 16-17, 2018

Dear Attendees,

Cardiac Surgery is pleased to have your prodigious presence at "**World Congress on Interventional Cardiology and Cardiac Surgery**" in Montreal, scheduled during **May 16-17, 2018**. The conference will bring together world-class cardiac surgeons, cardiologists, scientists and professors to discuss strategies for disease remediation and surgeries for heart in this cardiac surgery conference. **Cardiac Surgery 2018** anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference is designed to provide diverse and current education that will keep medical professionals abreast of the issues affecting the prevention, diagnosis and treatment of cardiovascular diseases. The Cardiac Surgery 2018 will be organized around the theme "Latest advances and Novel Approaches in Cardiac Science". It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class Cardiac associations.

Sincerely,
Cardiac Surgery 2018
Organizing Committee

MAY 16-17, 2018

After the successful completion of our earlier conference **Annual Cardiology 2017 (Philadelphia, USA)**, we are glad to announce the commencement of our next conference, **Cardiac Surgery 2018. Cardiac Surgery 2018** delightfully welcomes once again all the researchers to share their experiences and ideas through talks and presentations from diverse fields in advanced Interventional Cardiology and Cardiac Surgery Practices. This event provides an international platform in bringing together a forum for eminent researchers, students, postdocs, and business entrepreneurs to exchange their ideas and contributing an integrative approach to the diversified fields related to Cardiac Surgery and Interventional Cardiology.

About Montreal

Montreal is located in the southwest of the province of Quebec and is the most populous municipality in the province of Quebec and the second-most populous in Canada. The city covers most of the Island of Montreal at the confluence of the Saint Lawrence and Ottawa Rivers. Montreal has hosted multiple international conferences and events throughout its history. It is the only Canadian city to have held the Summer Olympics in 1976. In 2012, Montreal was ranked as a Beta+ world city. The city currently hosts the Canadian Grand Prix of Formula One, the Montreal International Jazz Festival and the Just for Laughs festival.
