Great Day!

Best regards organizers of the **Neurology and Neurological Disorders, July 17-18, 2017, Chicago, USA conference**. For the selected presentation space, I submit my candidacy for consideration. As "A Good plan VIOLENTLY executed today is better than a Perfect plan next week" allow me to share the simple timeline of my adaptive journey. All 11+ years of it compacted into just over 19 mins of video. As a picture paints 1000 words and as perspective is EVERYTHING, I excitedly await your response.
