INTERNATIONAL CONFERENCE ON

3D PRINTING AND ADDITIVE MANUFACTURING

November 23-24, 2020 | Dubai, UAE

https://3dprinting.conferenceseries.com/

Welcome to 3D Printing 2020

We look forward to see researchers from all around the 3D Printing and Additive Manufacturing during November 23-24, 2020 at the delightful venue of Dubai, UAE. 3D Printing 2020 summit is the premier international forum to present and discuss progress, research, development and application of the major topics related to 3D Printing Technology.

The 2020 edition of the summit will offer high quality and relevant research session, poster session, workshop, exhibition, panel discussion etc. for the better understanding of the subject. The conference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand network with leading experts and researchers during the summit.

3D Printing will be a great meeting point for sharing the latest research papers of academic and industrial study as well as to experience the matchless environment of Dubai, UAE which has been known for its artistic, cultural as well as scientific developments.

We look forward to your participation for 3D Printing 2020 summit at Dubai, UAE.

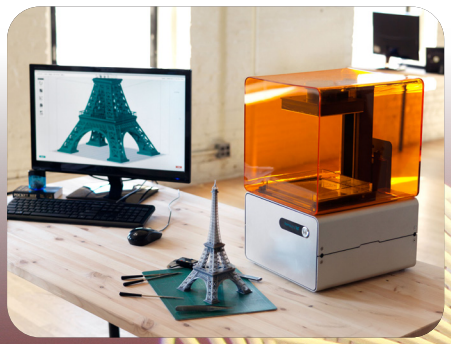

3D Printing 2020

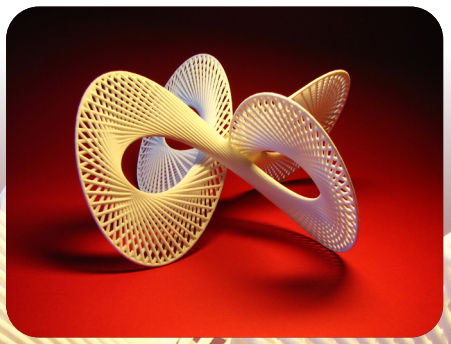

Major Sessions:

- Digital Light Processing (DLP) 3d printing
- Impact of 3D printing on manufacturing industry
- Advances in 3D printing & additive manufacturing
- 3D printing materials
- Innovations in 3D printing
- 3D printing in space and aerospace
- Applications in health care & medicine
- 3D printing in automotive industry
- 3D printing in biomaterials
- Layered manufacturing and additive fabrication
- Polymers in 3d printing
- Additive manufacturing and 3d robotics

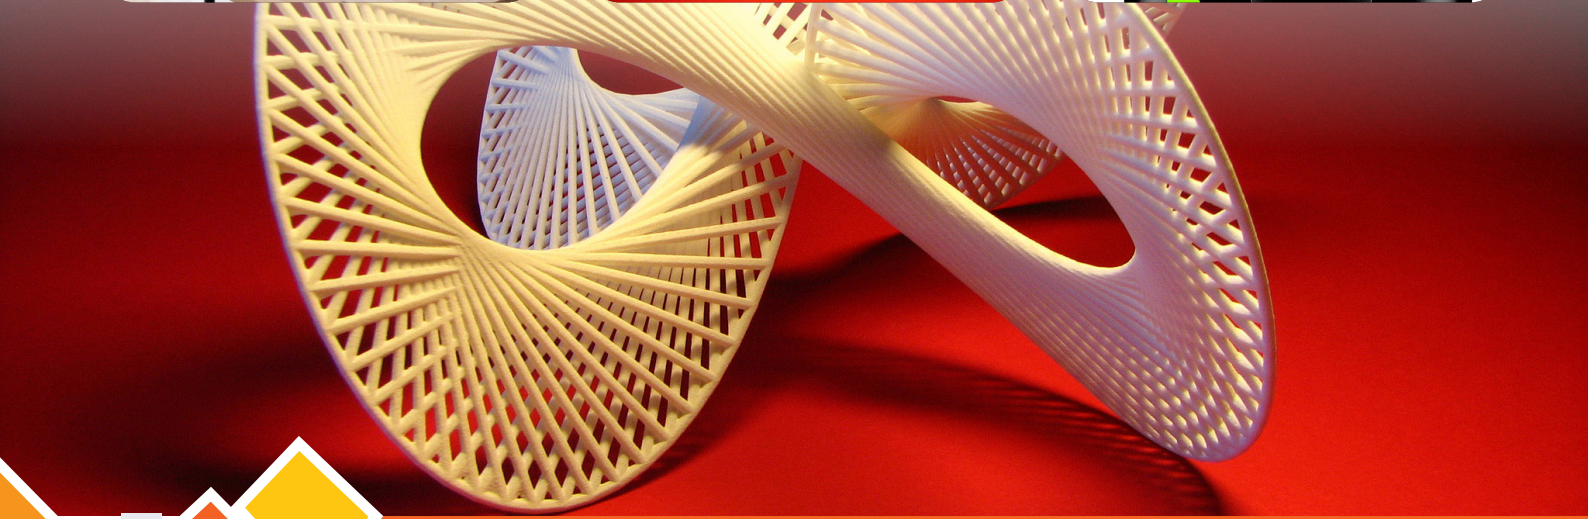

Why to join the summit

- Meet Experts & Influencers
- Networking Opportunities
- Learning In a global Space
- Added Research Value
- Investment in Knowledge for future

About Dubai

Dubai is the most crowded and the biggest city in the United Arab Emirates (UAE). It is arranged on the southeast bank of the Persian Gulf and is the capital of the Emirate of Dubai, one of the seven emirates that make up the nation. The city of Dubai is arranged on the emirate's northern coastline and heads the Dubai-Sharjah-Ajman metropolitan region. The emirate of Dubai gives edges to Abu Dhabi in the south, Sharjah in the upper east, and the Sultanate of Oman in the southeast. Dubai ascended as a worldwide city and business focus of the Middle East. It has starting late pulled in world consideration through numerous imaginative vast development tasks and sports occasions. The city has ended up being prominent for its elevated structures and lifted structures, explicitly the world's tallest building, the Burj Khalifa. As in 2012, Dubai was the 22nd most exorbitant city on earth and the most expensive city in the Middle East.
