Dear Attendees,

We are glad to announce the **6th International Conference on 3D Printing Technology and Innovations** to be held as Webinar from **July 12-13, 2021** organized by Conference Series LLC Ltd, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

3D Printing Technology and Innovations 2021 conference will be available to discuss with you the latest issues and innovations in Unveiling the emerging research for delivering effective 3D Printing Technologies.

As the premier Webinar, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the 3D Printing Technology & its Innovations Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to your participation at Webinar this July.

Sincerely,
3D PRINTING 2021
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

3D PRINTING 2021

3D Printing 2021 Conference website is attracting 25000+ Engineering Professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

3D PRINTING 2021 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about 3D Printing Technology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

B2B Meetings

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in 3D Printing Technology and Innovations
- Discuss and apply recent research findings related to 3D Printing Technology and Innovations
- Reflect on the place of critical distance in 3D Printing Technology and Innovations

Who should attend

6th International Conference on 3D Printing Technology and Innovations 2021 is exclusively designed for Research Scientists, Students, Academic Faculty,Design Engineers, Mechanical engineers, Industrial engineers, Aerospace engineers Architects, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavors related to 3D Printing technology innovations research and business.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

B2B Meetings

Major Sessions

- Advances in 3D Printing Technology and Additive Manufacturing
- Benefits of 3D Printing and Technology
- Applications of 3D Printing in helathcare & Medicine
- Innovations in 3D Printing
- 3D Printing Technology Impact on Manufacturing Industry
- 3D printing in Biomaterials
- 3D Printing Materials
- Polymers in 3d printing
- Tissue and Organ printing
- 3D Image Processing and Visualization
- 3D Printing of Supply Chain Management
- Metal 3D Printing
- 3D Printing industries
- 3D Bio printing
- Design for 3D Printing
- 3D Printing Future Technology
- 3D Printing for Liver Tissue Engineering
- 3D Printing Technology & Market
- Clinical applications of 3D Printing in Orthopaedics and Traumatology
- Lasers in 3D printing in Manufacturing industry
- Challenges in 3D Printing
- Challenge of 3D Printing in Radiation oncology
- B2B Partnering and Collaborations
