WELCOME ADDRESS

Dear Attendees,

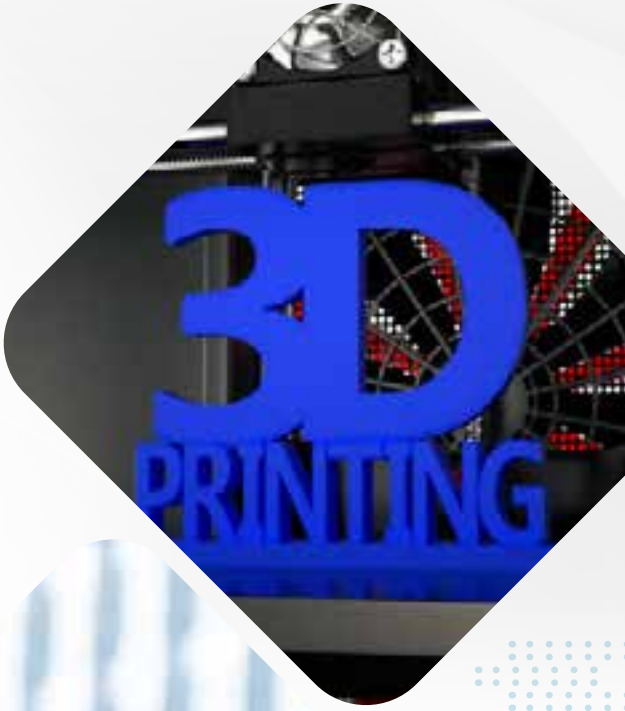

The 3D Printing 2022 Organizing Committee is absolutely delighted to welcome you to the **7th International Conference on 3D Printing Technology and Innovations** which will be held in **Vienna, Austria** on **July 13-14, 2022,** where we will be shining a spotlight on *"Exploring New Technologies and Innovations in 3D Printing"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your 3D Printing research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in the world's most important global cities Vienna is located in the Eastern part of Austria and is close to the borders of the Czech Republic, Slovakia and Hungary. It is the seventh largest city by population inside the city restraints in the European Union. . What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2022 for an experience of a lifetime.

With Regards

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

3D Printing 2022 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The 3D Printing 2022 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of 3D Printing Technology and Innovations, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of 3D Printing.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

7th International Conference on 3D Printing Technology and Innovations is among the World's leading Scientific Conference. The two day event on 3D Printing will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of 3D Printing & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for 3D Printing conference which will comprises of 21 major sessions designed to offer comprehensive sessions that address current issues in various fields of 3D Printing.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on 3D Printing provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **3D Printing 2022**.

ABOUT CONFERENCE

Who Should Attend?

3D Printing Conference 2022, brings an Opportunity to attend the presentations delivered by eminent scientists, researchers, experts from all over the world and Participation in sessions on specific topics on which the conference is expected to achieve progress. It brings Global networking in transferring and exchanging Ideas. Share your excitement in promoting new ideas, developments and innovations in the field of 3D Printing Technology & Innovations.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Advances in 3D Printing & Additive Manufacturing Technology
- Applications of 3D Printing in Health Care & Medicine
- Innovations in 3D Printing
- 3D Printing Materials
- Metal 3D Printing
- Benefits of 3D Printing and Technology
- 3D Printing Technology Impact on Manufacturing Industry
- 3D printing in Biomaterials
- 3D Bio printing
- 3D Printing Future Technology
- 3D Image Processing and Visualization
- Polymers in 3D Printing
- Tissue and Organ printing
- Nano 3D Printing
- 3D Printing Industries
- Challenges in 3D Printing

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.
