2ND INTERNATIONAL CONFERENCE ON

# 3D PRINTING AND ADDITIVE MANUFACTURING

MARCH 25-26, 2022

BERLIN,GERMANY

# *Invitation to attend 3D PRINTING CONFERENCE 2022*

We look forward to see researchers from all around the I2nd International Conference on

3D Printing and Additive Manufacturing during March 25-26, 2022 the delightful venue of Berlin, Germany. 3D PRINTING CONFERENCE 2022 is the premier international forum to present and discuss progress, research, development and application of the major topics related to 3D Printing, Nano Particles and Their Applications

The 2022 edition of the summit will offer high quality and relevant research session, poster session, workshop, exhibition, panel discussion etc. for the better understanding of the subject. The conference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand network with leading experts and researchers during the summit.

3D PRINTING CONFERENCE 2022 will be a great meeting point for sharing the latest research papers of academic as well as to experience the matchless environment of Berlin, Germany which has been known for its artistic, cultural as well as scientific developments.

We look forward to your participation for 3D PRINTING CONFERENCE 2022 summit at Berlin, Germany.

Sincerely,

Operating Committee

3D PRINTING CONFERENCE 2022

## Scientific Sessions

- Impact of 3D Printing on Manufacturing Industry
- Advances in 3D Printing & Additive Manufacturing
- 3D Printing Materials
- Innovations in 3D Printing
- 3D Printing in Space and Aerospace
- Additive Manufacturing and 3D Robotics

## Why to join

- Meet Experts & Influencers
- Networking Opportunities
- Learning In a Global Space
- Added Research Value
- Investment in Knowledge for Future

# Berlin Attractions

## {Berlin "The City that Trees Built"}:

in 18th century, Berlin merged with the 4 group of cities which are of Cölln, Friedrichswerder, Friedrichstadt and Dorotheenstadt under the name Berlin, "Haupt- und Residenzstadt Berlin."

Berlin Geographic Location\

It's located in N-E German in a neighberth of low-lyin' marshy woodlands with mainly flat geography. It's a part of the vast Northern European Plain that stretches from northern France to western Russia.

Berlin Description

Berlin is the capital of and the chief urban center of Germany. It's far and away from the most important city in Germany. Berlin isn't among the prettiest cities in Europe, a minimum of not on the surface. But it's undeniably one among the foremost fascinating. Much of its beauty lies entangled in history and drama and its inherent determination and generosity of spirit have brought it into the 21st Century with new vitality.

## Berlin visiting sites:

A number of the foremost significant events of Germany's history happened in Berlin and now it's this beautiful blend of the past and present that makes Berlin such a special place to go to. It's the town of music, art, and museums. Visit here include the Grunewald Forest, Berlin Wall, Brandenburg Gate, The Holocaust Memorial, Reichstag Building then far more.

## Exhibitor and Sponsors

## Important Dates

Registration Open: **July 01, 2022**
Early Bird: **February 21, 2022**
On Spot Registration: **March 25, 2022**

## Registration Prices

Speaker Registration **480 euros**
Delegate Registration **350 euros**
Young Research Forum **360 euros**
Exhibitor **840 euros**
