30th World Summit on

POSITIVE PSYCHOLOGY, MINDFULNESS AND PSYCHOTHERAPY

March 22-23, 2019 | Chicago, USA

https://positivepsychology.conferenceseries.com

Invitation

Dear Attendees,

We are delightful to welcome you to the **30th World Summit on Positive Psychology, Mindfulness and Psychotherapy** which is scheduled in the month of **March 22-23, 2019** at **Chicago, USA** organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Positive Psychology 2019 invites people all over the world invariable of age to discuss the wonders happening in the ever-growing fields of Psychology, Psychiatry, Psychotherapy, Mental Health, Philosophy, Humanities and Social Sciences to promote Happiness and Wellbeing for the community. This conference is an acting stage for Academicians, Physicians, Happiness, Positive Psychology, Mindfulness Experts along with Psychologists, Psychotherapists, Psychiatrists, Mental Health professionals, Directors, Technicians, Social Workers, Therapists, Counselors, Care givers, Yoga, Meditation experts and Spiritual healers and mainly students to showcase their innovations and new ideas.

The main theme of the conference is "**Psychological and Philosophical pursuit of Happiness and Wellbeing**" which will ignite young minds in searching a novel approach towards the marvels of sustainable future.

Knowledge is Application. This Knowledge gathering initiative focuses on Knowledge accumulation but also helps in practical approach towards future aspects in the fascinating arena of Positive Psychology, Mindfulness and Psychotherapy.

We look forward to personally welcoming you to **Chicago** this **March**.

Sincerely,

Positive Psychology 2019 | Organizing Committee

Market Analysis

The scope of Psychology is ever-growing due to constantly researches in this field. Fifteen years in the wake of rising as a major scientific movement, positive psychology or positive brain science or the science of life flourishing - the investigation of what brings happiness and meaning in life. Finland is top of the world for happiness, closely followed by Norway, Denmark, Iceland, Switzerland and the Netherlands. The United States landed in 18th place, in part because of the on-going epidemics of obesity, substance abuse and untreated depression following Germany in 15th place, while the United Kingdom was 19th and Japan came in 54th place with Russia in 59th place and China came in 86th. The main agenda is based on integrating the science and art of Positive Psychology with a variety of other psychologically based approaches to facilitate transformation and healing. Around 42.5 million American grown-ups experience some mental illness, persevering conditions, for example, stress, depression, bipolar disorder or schizophrenia, substance abuse. Serious mental illness costs America $193.2 billion in lost earnings per year. Among all Americans, 36.2 million individuals paid for psychological wellness administrations totalling $57.5 billion in 2006. Europeans are plagued by mental and psychological illnesses, with almost 165 million people or 38 percent of the population suffering each year from a brain disorder. Psychological & neuropsychiatric disorders are the second cause of disability-adjusted life years in Europe and account for 19%, with only 4% after cardiovascular disorders. An estimated 6.8 million people die every year as a result of psychological disorders.

SPEAKER TESTIMONIALS

Thank you for inviting me to Positive Psychology 2018 and allowing me as a Keynote speaker and launching of this happiness conference. It's a wonderful event to share with esteemed colleagues, great ideal, great conversations and great insights. For 2 days there are great talks, a lot of interactions with a lots of questions asked and glad to see different people from countries coming together to help, promote and more positive for happier world and overall it's a great conference.

Elia Gourgouris
The Happiness Center, USA

I liked a lot about the Positive Psychology 2018 conference because a lot of people who spoke are very enthusiastic and all the topics are very interesting.

Verena Hein
4Academy, Germany

I spent 2 days at this conference and it's been absolutely wonderful. The interaction with all the different presenters and the people attending has been amazing and eye-opening. I really enjoyed it and really look forward to coming back and I hope they invite me back to another conference to be a speaker because this is a wonderful experience. You get to meet just amazing people all around the world that have so much insights into so many different areas of psychology and happiness, mindfulness that you take that away with you and you came here wanting to give information and enlighten people and live much happier.

Iliana Titone
Dyslexilli, USA

I have moderated for Positive Psychology 2018 and we had a fantastic day as all of our speakers came to present on their very constructive subjects and everybody just really shared their difficulties, struggles and all the new modalities. So it's really a great successful 2 day conference on Positive psychology, Happiness which is really a main point and a main subject.

Olessia Gorkovenko
University of South Africa, South Africa

This conference gives us with more great opportunity to network and also it comes with an opportunity to have an amazing trip to USA.

Sofia Sykinioti
The University of Manchester, UK

This afternoon I have been enjoying with a great talk by Therese Lardner. She was talking about Life and of employees. I think this is an important topic because people should be happy with what they are doing and why they are doing.

Clara Scheer
University of Regensburg, Germany
