# INVITATION

**Dear Attendees,**

We are glad to announce the 8th Annual Congress on Mental Health to be held in during March 07-08, 2022 in Paris, France organized by Conference series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial board members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Mental Health, Psychology and Psychiatry, Women's Mental Health, Child Abuse, Alzheimer's and Dementia, Tele-psychiatry, Pharmacotherapy and Psychopharmacology, Mental Health Nursing, Psychiatric Rehabilitation, Bipolar Disorders, Mental Health Awareness, Mental Disorders, Adult and Geriatric Psychiatry, Child and Adolescent Psychiatry, Neuropsychology and Neurodegenerative Disorders, Psychosomatic Disorders and Psychosomatic Medicine, and Entrepreneurs Investment Meet. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Mental Health to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to our Conference!

Sincerely,
**ACMH 2022**
Organizing Committee

### Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

### Salient Features

Cognizance of leading Cutting-Edge Technologies

Exposure to the upcoming business trends

Publication of Abstracts in preeminent supported journals

New Accomplishments with Edu-tech ideas

Professional Worldview

Certificate of presentation with International signatories

Free access to our forthcoming International events

International Recognition

Meet Experts & Influencers Face to Face

Gain Targeted Knowledge

New Tips & Tactics

### Our International Scientific Conferences

- More than 5000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

### Salient Features

- Robust publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

## ABOUT VENUE

# PARIS, FRANCE

Paris, city and capital of France, situated in the north-central part of the country. People were living on the site of the present-day city, located along the  Seine-River" Seine River some 233 miles (375 km) upstream from the river's mouth on the  English-Channel" English Channel (La Manche), by about 7600 BCE. The modern city has spread from the island (the Île de la Cité) and far beyond both banks of the Seine.

Paris is no stranger to nicknames, 'Lutèce', 'Paname', 'Pantruche' and even 'the City of Light'.

Among the long list of things the city of Paris is known for, its nickname as the City of Love is the most romantic. Just as it did with lots of artists who settled there years ago, Paris inspires millions of visitors every year.

For centuries Paris has been one of the world's most important and attractive cities. It is appreciated for the opportunities it offers for business and commerce, for study, for culture, and for entertainment; its gastronomy, haute couture, painting, literature, and " intellectual  " community especially enjoy an enviable reputation. Its  " sobriquet "the City of Light" ("la Ville Lumière"), earned during the Enlightenment, remains appropriate, for Paris has retained its importance as a centre for education and intellectual pursuits.

From the iconic Eiffel Tower to Montmartre's art district to the Arc De Triomphe, there is no shortage of sights to make visitors fall in love with the romance of Paris.

To make the most of your visit, here is our list of the top 20 things to do in paris. Eiffel tower, Louvre Museum In Paris, Palace Of Versailles, Paris Moulin Rouge,  "Château De Fontainebleau,  Disneyland Paris, Giverny, Montparnasse Tower,  Champs-Élysées, River Cruising On The Seine River,  Luxembourg Gardens, Palais Garnier Of Paris, Le Marais, Musée D'orsay, Latin Quarter Of Paris, The Tuileries Gardens, Galeries Lafayette.
