ABOUT VENUE

DUBLIN, IRELAND

The largest city in the Republic of Ireland is Dublin. Due to its proximity to Britain, it was the most important city in Ireland during the Tudor conquest of Ireland and subsequent British Invasions until after 1922 when the Irish Free State was formed. As the British held a presence here for over 500 years, most of the historic buildings from the 1500s on were built by them. As Dublin Airport is located just outside the city, most international visitors to Ireland begin their stay here. Among the main attractions in Dublin are Dublin Castle, the seat of British rule in Ireland until 1922, Phoenix Park, one of the largest inner city parks in the world, The General Post Office, one of Ireland's most famous buildings due to the 1916 Easter rising, Kilmainham Gaol, a former prison turned museum that held and executed the rebels of the 1916 Rising and Trinity College, where the Book of Kells and the Book of Durrow are held. In 2010, Dublin was awarded the title of UNESCO City of Literature, as many famous writers such as James Joyce and Samuel Beckett are from the city.

Other Attractions:

Guinness Brewery, a brewery founded in 1759 that produces Guinness. It is the second most visited tourist attraction in Ireland.Bloomsday, a festival of celebration into James Joyce's life, during which the events of his novel Ulysses are relived. It is held annually in Dublin on 16 June. The Ha'penny Bridge, a famous Victorian bridge spanning the River Liffey. Croke Park, one of Europe's biggest stadiums and principal stadium of the Gaelic Athletic Association (GAA). Temple Bar, an area on the south side of the city that has preserved its medieval street pattern, with many narrow cobbled streets. It is now famous for its cultural and nightlife spots. St Stephen's Green, a city centre public park.
