INVITATION

Dear Attendees,

Conference series welcomes you to attend the Annual Congress on Mental Health during July 03-04, 2023 which is held to be as a webinar. The theme of this year's meeting is "Making Mental Health a Global Priority" which will provide an international platform for discussion of present and future challenges in mental health, Psychology education, continuing education and expertise meeting.

World-leading mental health practitioners, clinicians, doctors, educators and researchers will present cutting-edge and practical clinical techniques based upon widely accepted evidence and will introduce new and emerging research.

The annual congress is to discuss the latest techniques, improvements, and the most current updates on mental health. This will be your best opportunity to achieve the biggest gathering of members from the mental health group. Lead introductions, interaction, disseminate data, meet with present and potential specialists, make a splash with new improvements, and get name acknowledgment at this congress. Proceeding with mental health training guarantee that the mental health practitioners are given the most recent symptomatic, preventive and treatment techniques in the business.

ACMH 2023 includes advanced workshops on mental health, lectures and symposia, a refreshment break. Psychiatrists can meet and join their experts and can connect with worldwide international professionals through our event and can make or grow their connection stronger. So come and join leading experts and professionals to keep up with the rapidly accelerating pace of change that is already having an impact on the field of mental health & psychology and to continue to in the future.

We look forward to personally welcoming you to our conference!

Sincerely,
ACMH 2023
Organizing Committee
