INVITATION

Dear Attendees,

We are glad to announce the 4th Annual Congress on Mental Health to be held in during April 11-12, 2024 in Amsterdam, Netherlands organized by Conference series in collaboration with generous support and cooperation from enthusiastic academicians and editorial board members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Mental Health, Psychology and Psychiatry, Women's Mental Health, Child Abuse, Alzheimer's and Dementia, Tele-psychiatry, Pharmacotherapy and Psychopharmacology, Mental Health Nursing, Psychiatric Rehabilitation, Bipolar Disorders, Mental Health Awareness, Mental Disorders, Adult and Geriatric Psychiatry, Child and Adolescent Psychiatry, Neuropsychology and Neurodegenerative Disorders, Psychosomatic Disorders and Psychosomatic Medicine, and Entrepreneurs Investment Meet. As the premier event, we have developed a program with your interests in mind. Wehave not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leadersand experts. Life is full of give and take. Make it count in your professional life. Attend the Mental Health to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to our Conference!

Sincerely,

ACMH-2024
Organizing Committee

New Tips & Tactics

Our International Scientific Conferences

- More than 5000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT VENUE

AMSTERDAM, NETHERLANDS

Amsterdam, the capital city of the Netherlands, is a vibrant and culturally rich destination that captivates visitors with its unique charm. With its iconic canals, historic architecture, and progressive attitudes, Amsterdam offers a wealth of experiences for tourists to enjoy. One of the defining features of Amsterdam is its picturesque canal network. The city's canal ring, which dates back to the 17th century, is a UNESCO World Heritage site and is a sight to behold. The canals are lined with beautifully preserved canal houses, adorned with gabled facades, and connected by numerous arched bridges, creating a romantic and enchanting atmosphere. Exploring the canals by boat or strolling along their banks is a popular activity for tourists. Amsterdam's history is intricately woven into the fabric of the city. Originally a humble fishing village, it flourished during the Dutch Golden Age as a major trading center. The wealth accumulated during this time is evident in the city's architectural heritage. The grandeur of buildings like the Royal Palace and the world-renowned Rijksmuseum reflects Amsterdam's prosperous past. Culture thrives in Amsterdam, and the city is home to some of the world's most renowned museums. The Rijks museum showcases Dutch masterpieces, including Rembrandt's "The Night Watch," while the Van Gogh Museum exhibits an extensive collection of the celebrated artist's works. The Anne Frank House, where Anne Frank hid during World War II, provides a poignant insight into the city's history. Amsterdam is a city best explored on two wheels. Bicycles are a ubiquitous mode of transportation, and the city boasts an impressive cycling infrastructure. Joining the locals on a bike allows visitors to immerse themselves in the city's laid-back and eco-friendly lifestyle. Cycling through the streets, along the canals, and through beautiful parks is a fantastic way to experience Amsterdam like a local. The city is also renowned for its progressive attitudes.
