INVITATION

Dear Attendees,

We are glad to announce the 6th Annual Congress on Mental Health to be held on February 16–17, 2026 in Paris, France organized by the Conference series in collaboration with generous support and cooperation from enthusiastic academicians and editorial board members. This conference is a unique international platform that's a confluence of all stakeholders of the ecosystem – Industry, Academia, Researchers, Innovators, and Regulators – coming together to present and discuss current topics in Mental Health, Mental Disorders, Psychiatry, Psychology, Behavioral Health, Depression, Anxiety, Neurodegenerative Disorders, Tele- Psychiatry, Trauma, Brain Disorders, and Entrepreneurs Investment Meet. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting-edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the ACMH-2026 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to our Conference!

Sincerely,

ACMH-2026

Organizing Committee

Meet Experts & Influencers Face to Face

Gain Targeted Knowledge

New Tips & Tactics

Our International Scientific Conferences

- More than 5000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Eandg ineering,Science, Technology Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Creation of speakers
- and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT VENUE

PARIS, FRANCE

Paris, the capital city of France, is renowned as the “City of Light” and is celebrated worldwide for its elegance, charm, and cultural significance. Situated on the banks of the River Seine, Paris is a city of breath-taking beauty, boasting a wealth of iconic landmarks, museums, and an unmistakable romantic atmosphere. One of the most recognizable symbols of Paris is the Eiffel Tower. Standing at a height of 324 meters (1,063 feet), this wrought-iron lattice tower offers panoramic views of the city and is a must-visit attraction for tourists. Its intricate design and dazzling illumination at night make it a true architectural marvel. Paris is home to numerous world-class museums, showcasing some of the most revered artworks in history. The Louvre Museum, located in the heart of the city, houses the famous Mona Lisa, along with an extensive collection of art spanning thousands of years. The Musée d’Orsay, situated in a former railway station, is renowned for its impressionist and postimpressionist masterpieces by artists such as Monet, Renoir, and Van Gogh. These museums are cultural gems that attract art enthusiasts from all over the globe. The city’s historic district, known as Le Marais, is a captivating neighbourhood with its narrow, winding streets and well- preserved medieval architecture. It is a hub of art galleries, trendy boutiques, and vibrant cafes.
