Addiction Therapy 2017

Invitation

Dear Attendees,

Welcome to most exciting and fascinating Las Vegas, USA! Within this splendid setting, we plan to deliver a conference that will exceed your expectations. During this year's **7th International Conference on Addiction Research and therapy**, we hope that you will seize the opportunity to rekindle ongoing connections and spark new ones with your colleagues from around the globe The Conference theme is ***"Unifying the new discoveries and advanced approaches toward Addiction"***

Addiction Therapy 2017 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. Addiction Therapy 2017 will offer ample opportunities for all stakeholders working on Brain disorders and neurological disorders to expose their research work.

Our conference aims to gather the Researchers, principal investigators, experts, neurologists and researchers working on Addiction Research and Therapy from both academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

In Addiction Therapy 2017, international symposiums, B2B meetings and International workshops will also be organized to discuss the specific topics in the field of Addiction research and Therapy.

This year's Conference program, coupled with the Business Opportunity Exchange, is an event you can't afford to miss!.

Sincerely,
Addiction Therapy 2017
Organizing Committee

Highlights

Gathering The Greatest Minds And Innovators Under One Roof

ACCREDITATION STATEMENT

Addiction Therapy 2017 has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Committee

The live format of this educational activity will be accredited with CME and CPD Credits.

DIVERSE ACTION-ORIENTED PROGRAMMING & NETWORKING

EXPERIENCE inspiring change around the country and world, growing a revolution from the heart of Addiction Research and Therapy.

EXPLORE the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and "the greatest people you've never heard of."

PARTICIPATE in afternoon panels and workshops/symposiums on diverse topics of Addiction Psychiatry & Mental Health and more!

NETWORK with a community of leadership – dynamic changemakers from around the country and world, or from your region, to develop important professional and personal relationships.

SHARE your insights and learning at the conference in participatory and experiential workshops.

DISCOVER powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

CELEBRATE how great a difference one person can make, and how building community amplifies that change.

Previous Speakers

Francisco Jose Montero Bancalero
Osuna University Spain , Spain

Few Expertise Outlook on Neuroscience Conferences

"As Mayor of London I am delighted to welcome you to the Neurology Conferences organized by Conference Series LLC"

Boris Johnson,
Mayor of London, UK

"The meeting was very interesting and I met with very nice people"

Marie Trad,
Quintiles, France

"Your opportunities will include not only excellent science, but provide practical applications of knowledge to advance the care of your patient with cognitive, behavioral and functional decline"

Eric G. Tangalos,
Mayo Clinic Alzheimer's Disease Center, USA

"Conferences like this one may help to speed up the development of effective therapies for neurodegenerative diseases like Alzheimer's disease"

Andrew V Schally,
Nobel Prize in Physiology/ Medicine for 1977

"I had a great time at the conference this year and it was run much more efficiently than last year in Chicago. Thank you for the opportunity to participate"

John K. Grandy
North Country Urgent Care, USA

"Thank you for a well-organized Brain Disorders Conference"

Hans Von Holst
Royal Institute of Technology, Sweden

"I wish to welcome all researchers from the fields of basic neuroscience, neurology, and neurosurgery to contribute with your valuable expertise, and to stimulate interdisciplinary endeavour"

Arvid Carlsson
Nobel Prize in Physiology/ Medicine for 2000

"The priority aim of this Conferences will also be to deepen our understanding around the interrelationship of addictive disorders between each other, as well as with mental health, Addiction Psychiatry, family, community, and culture"

Norman S. Miller
Michigan State University, USA

About Conference

Addiction Therapy 2017 Conference website is attracting 56000+ Neurologists, Neurosurgeons and Psychiatrists, Brain Researchers, Neuro Oncologists, Pharmacists, Research scientists, Neurology Organizations and societies, Pharmaceutical companies, Neuro and CNS drug Industries, Neuroscience associations, Professors and Students.. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Addiction Therapy 2017 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

Purpose

With members from around the world focused on learning about Addiction Research and Therapy, this is your single best opportunity to reach the largest assemblage of participants from the scientific community. Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Addiction Research and therapy present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Addiction Research and Therapy and neurological problems and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Addiction Research and Therapy
- Discuss and apply recent research findings related to Addiction Rehabilitation and Recovery
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions.

About Conference

Who should attend

Neurologists, Neurosurgeons, Psychiatrists, Brain researchers, Neuro Oncologists,Pharmacists, Research scientists, Neurology Organizations and societies, Business delegates, CEO's and R&D Heads from Industries, Directors, Industrial Leaders, Pharmaceutical companies, Neuro and CNS drug Industries, Neuroscience associations & foundations, Professors and Students from Academia in the study of Neurology and Neuroscience and researchers who utilize novel techniques and knowledge in diagnosing and treating brain and neuronal disorders..

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

About Las Vegas

Las Vegas (/lɑːs 'veɪgəs/, Spanish for "The Meadows"), officially the City of Las Vegas and often known simply as Vegas, is the 28th-most populated city in the United States, the most populated city in the state of Nevada, and the county seat of Clark County. The city anchors the Las Vegas Valley metropolitan area and is the largest city within the greater Mojave Desert.[5] Las Vegas is an internationally renowned major resort city known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. It is the leading financial, commercial, and cultural center for Nevada.

The city bills itself as The Entertainment Capital of the World, and is famous for its mega casino–hotels and associated activities. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming more AAA Five Diamond hotels than any city in the world.[6][7][8] Today, Las Vegas annually ranks as one of the world's most visited tourist destinations.[9][10] The city's tolerance for numerous forms of adult entertainment earned it the title of Sin City, and has made Las Vegas a popular setting for literature, films, television programs, and music videos.
