DoubleTree by Hilton
4509 Island Ave, Philadelphia
PA 19153, USA

Venue Attractions

Benjamin Franklin Parkway

New York City Hall

The Philadelphia Zoo

Franklin Square

Longwood Gardens

Liberty Bell Pavilion

About Philadelphia: Philadelphia is the largest city in the Commonwealth of Pennsylvania and the fifth-most-populous city in the United States. It is located in the Northeastern United States along the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania. Popular nicknames for Philadelphia are Philly and The City of Brotherly Love. Philadelphia is the economic and cultural center of the Delaware Valley, home to 6 million people and the country's fifth-largest metropolitan area. In 1682, William Penn founded the city to serve as capital of Pennsylvania Colony.

Philadelphia has shifted to an information and service-based economy. The city is also the nation's fourth-largest consumer media market, as ranked by the Nielsen Media Research. Philadelphia is known for its arts and culture. The cheeses teak and soft pretzel are emblematic of Philadelphia cuisine, which is shaped by the city's ethnic mix. The city has more outdoor sculptures and murals than any other American city. Philadelphia's Fairmount Park is the largest landscaped urban park in the world. Summers are typically hot and muggy, fall and spring are generally mild, and winter is cold.
