Invitation

Dear Friends and Colleagues,

It is our great pleasure to welcome you to the **7th International Conference on Addictive Disorders, Addiction Medicine and Pharmaceuticals** scheduled on **September 19-20, 2018** in the breath-taking city of **San Diego, California, USA**.

Addiction is a primary, chronic disease of brain reward, motivation, memory and related circuitry. Dysfunction in these circuits leads to characteristic biological, psychological, social and spiritual manifestations. This is reflected in an individual pathologically pursuing reward and/or relief by substance use and other behaviors.

Addiction is characterized by inability to consistently abstain, impairment in behavioral control, craving, diminished recognition of significant problems with one's behaviors and interpersonal relationships, and a dysfunctional emotional response. Like other chronic diseases, addiction often involves cycles of relapse and remission. Without treatment or engagement in recovery activities, addiction is progressive and can result in disability or premature death.

We are looking to review the scientific and clinical aspects of Addiction. Underlying mechanisms, clinical consequences, treatment options, epidemiology, etc. are all important in this regard. New treatments are emerging which could result in huge changes in the way people live their lives - taking a drug to reduce alcohol intake levels different approach and we might want to audit this alternative. New therapies are rising for overdose, and a portion of the co-morbidities of addiction Dual Diagnosis is ending up better recognized. Furthermore, the conference will survey societal and strategy activities which are shaping the way countries deal with addiction problems, and audit the victories and disappointments at that level.

Addiction Therapy 2018 is perceived globally as an important calendar event for the Addiction, Psychiatry, Mental Health, Healthcare and Pharmaceuticals Industry . The meeting will give an International stage to share new research, experiences and evidence-based practices with Keynotes and Plenary talks and concurrent sessions with Special and Additional sessions, Poster and ePoster opportunities along with International Workshops and Symposiums for meaningful networking and engagement.

During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Life is full of give and take. Make it count in your professional life. We look forward to personally welcoming you to San Diego, California, USA.

Sincerely,

Addiction Therapy 2018 Committee

Tourist Attractions

Venue

Imagine 70 miles of sun-drenched coast, an inviting ocean, and a year-round daily forecast of 70°F and you'll understand why this southernmost stretch of the state is all about outdoor fun.

San Diego calls itself 'America's Finest City' and its breezy confidence and sunny countenance filter down to folks you encounter every day on the street. It feels like a collection of villages each with its own personality, but it's the nation's eighth-largest city and we're hard-pressed to think of a more laid-back place.

What's not to love? San Diego bursts with world-famous attractions for the entire family, including the San Diego Zoo, SeaWorld San Diego, LEGOLAND and the museums of Balboa Park, plus a bubbling Downtown, beautiful hikes for all, more than 60 beaches and America's most perfect weather.

Venue & Hospitality:
Hilton Mission Valley (TBC)
901 Camino del Rio S, San Diego, CA 92108, USA
