About Zurich

Zurich is Switzerland's centre of economic life and education. Located in the heart of Europe, the city offers all the modern amenities of a cosmopolitan metropolis, without sacrificing its natural side. Zurich has for years ranked among the world's top cities in terms of quality of life. It is a boutique city that offers everything that implies, albeit in small and exquisite format. Zurich is avant-garde: it was not only home to Dada, but also the place where the Freitag bag and world-renowned Helvetica typeface originated. Researchers at the revered Swiss Federal Institute of Technology (ETH) and companies such as Google and Disney Research produce one innovation after the next. Creativity is also in abundance thanks to one of the biggest universities in Europe devoted to the arts – Zurich University of the Arts (ZHdK) – while establishments such as the Kunsthaus Zürich, Haus Konstruktiv and Museum für Gestaltung ensure that it all doesn't fall into oblivion. Zurich was already a prosperous centre of commerce in the Early Middle Ages. The 1519 Reformation gave the economy such a boost that the city rapidly became Switzerland's financial centre. This has remained unchanged to the present day and is why you'll find the Swiss National Bank in Zurich along with the world-famous Bahnhofstrasse, one of the most luxurious shopping strips around.
