WELCOME ADDRESS

Dear Attendees,

The Advanced Chromatography 2025 Organizing Committee is absolutely delighted to welcome you to the **17th International Conference & Expo on Chromatography Techniques** which will be held as **Vancouver, Canada** on **April 07-08, 2025,** where we will be shining a spotlight on *"Exploring New Horizons in Chromatography: Innovations and Growth Opportunities"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Chromatography research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which was the greatest cultural extravaganza that one could imagine, which is called as Barcelona. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Advanced Chromatography 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Advanced Chromatography 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Advanced Chromatography 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Chromatography techniques.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Chromatography.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

17th International Conference & Expo on Chromatography Techniques is among the World's leading Scientific Conference. The two day event on Chromatography Techniques will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Chromatography Techniques & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Chromatography conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Analytical Techniques.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Chromatography provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Advanced Chromatography 2025**.

ABOUT CONFERENCE

Who Should Attend?

Advanced Chromatography 2025 Conference website is attracting 56000+ Chromatography specialists, Pharmacists, Chemists, Drug Experts, Scientists, Medical officers, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Major Chromatographic Techniques
- Advances in Chromatography Instrumentations
- Chromatography as Separation Technique
- Chromatography & Mass Spectroscopy
- Hyphenated Chromatography Methods
- Chromatography-HPLC in Pharmaceutical
- Analytical & Bio-analytical Applications of Chromatography
- Chromatography-HPLC in Bioinformatics & Computational
- Chromatography in Bio-Medical Research
- Chromatography in Food Science Technology
- Biochemical Applications of Chromatography-HPLC
- HPLC Fingerprinting in Bioinformatics & Computational Biology
- High Efficiency & High Resolution Techniques
- Method Development & Validation
- Recent Advances in Chromatography-HPLC
- Chip Based Chromatography Separations
- Market Growth of Chromatography-HPLC

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

ABOUT VANCOUVER

Vancouver, often dubbed “The City of Glass” for its striking skyline of sleek skyscrapers framed against the backdrop of snow-capped mountains and the sparkling Pacific Ocean, embodies a unique blend of urban sophistication and natural splendor. As Canada’s third-largest metropolitan area, Vancouver boasts a diverse population enriched by its status as one of the most ethnically and linguistically diverse cities in the country.

Nature thrives within the city limits, with Stanley Park standing as a verdant sanctuary offering forested trails, beaches, and scenic seawall vistas. The park’s iconic totem poles and the Vancouver Aquarium add cultural depth to its natural allure. Granville Island, a hub of creativity and commerce, features a bustling public market, art galleries, and theaters. Historic Gastown, with its cobblestone streets and the famous Gastown Steam Clock, exudes charm and serves as a magnet for locals and tourists alike.

Vancouver’s culinary scene mirrors its diversity, showcasing a spectrum of international flavors and local delicacies, with fresh seafood a perennial highlight. Outdoor enthusiasts revel in nearby recreational opportunities, from skiing and snowboarding in winter to hiking, biking, and kayaking in the temperate months.

In essence, Vancouver captivates with its harmonious blend of urban sophistication, cultural richness, and breathtaking natural beauty, making it a vibrant metropolis that resonates with both residents and visitors alike.
