INTERNATION CONFERENCE ON

Pharmaceutical Research And Drug Discovery

November 21-22, 2022| Paris, France

Invitation to Advanced drug discovery-2022

We look forward to see researchers from all around the INTERNATIONAL CONFERENCE ON PHARMACEUTICAL RESEARCH AND DRUG DISCOVERY during NOVEMBER 21-22,2022 the delightful venue of Paris, France Advanced drug discovery-2022 is the premier international forum to present and discuss progress, research, development and application of the major topics related to Pharmaceutical Research And Drug Discovery
The 2022 edition of the summit will offer high quality and relevant research session, poster session, workshop, exhibition, panel discussion etc. for the better understanding of the subject. The conference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand network with leading experts and researchers during the summit.

Advanced drug discovery-2022 will be a great meeting point for sharing the latest research papers of academics well as to experience the matchless environment of Paris, France which has been known for its artistic, cultural as well as scientific developments. We look forward to your participation for Advanced drug discovery-2022summit at Paris, France

Sincerely,

Operating Committee

Advanced drug discovery-2022

Scientific Sessions

- Advances in Pharmaceutical Analytical Methods
- 2D & 3D Printing in Drug Delivery
- Advance Topics in Drug Delivery
- Biopharmaceutics and Biologic Drugs
- Challenges in Delivery of Therapeutic Genomics and Proteomics
- Drug Discovery Research

Why to join

- Meet Experts & Influencers
- Networking Opportunities
- Learning In a Global Space
- Added Research Value
- Investment in Knowledge for Future

Paris Attractions

Paris is the capital city of France. The French historic, political and economic capital, with a population of only 2.5 million is located in the northern part of France. One of the most beautiful cities in the world. Home to historical monuments such as Notre Dame, the Eiffel tower (320m), Bastille, Louvre and many more. Much of the city was re-designed by Haussmann in the 19th century.

Eiffel Tower

The last month of the winter, February, is a frosty month in Paris, France, with temperature in the range of an average high of 7.6°C (45.7°F) and an average low of 2°C (35.6°F). In February, the average high-temperature is practically the same as in January - a frosty 7.6°C (45.7°F). The average low-temperature, in February, is 2°C (35.6°F). In Paris, it is raining for 12.8 days, with typically 41mm (1.61") of accumulated precipitation. Throughout the year, there are 154.8 rainfall days, and 390mm (15.35") of precipitation is accumulated. In February, the average length of the day in Paris is 10.2h.

Transportation:

To get from Charles de Gaulle airport (CDG) to the city centre of Paris, you have three transfer options, train, bus or taxi. One cheap transfer option is taking the regional RER train. This takes around 50 minutes to reach the city and costs only 10€. Another cheap transfer option is the bus. Bus tickets cost from 11.50€ and journey time is around 70 minutes
