27th International Conference On

Advanced Materials and Nanotechnology

November 23-24, 2020 | Edinburgh, Scotland

Welcome to Advanced Materials 2020

We look forward to see researchers from all around the 27th International Conference On Advanced Materials and Nanotechnology during November 23-24, 2020 at the delightful venue of Edinburgh, Scotland. Advanced Materials 2020 summit is the premier international forum to present and dis-cuss progress, research, development and application of the major topics re-lated to Renewable Advanced Materials & Nanotechnology.

The 2020 edition of the summit will offer high quality and relevant research ses-sion, poster session, workshop, exhibi-tion, panel discussion etc. for the better understanding of the subject. The con-ference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand net-work with leading experts and research-ers during the summit.

Advanced Materials 2020 will be a great meet-ing point for sharing the latest research papers of academic and industrial study as well as to experience the matchless environment of Edinburgh, Scotland which has been known for its artistic, cultural as well as scientific developments.

We look forward to your participation for Advanced Materials 2020 summit at Edinburgh, Scotland.

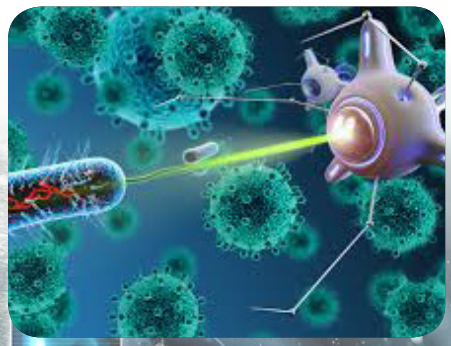

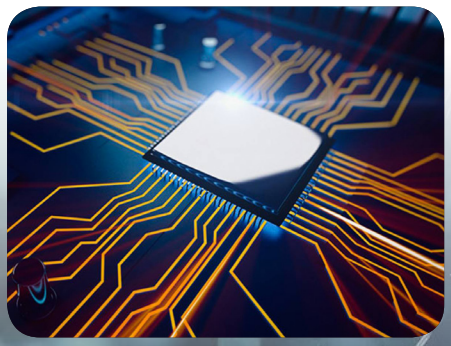

Advanced Materials 2020

Major Sessions:

- Advanced Materials 2020
- Smart Materials
- Nanotechnology
- Nanomaterials
- Cabon Nanostructues and Graphene
- Optical Materials & Plasmonics
- Biomaterials
- Nano Engineering
- Nano Medicines
- Nanoparticles
- NanolithographySmart Grid

Why to join the summit

- Meet Experts & Influencers
- Networking Opportunities
- Learning In a global Space
- Added Research Value
- Investment in Knowledge for future

About Edinburgh

Why Edinburgh?

Recognized as the capital of Scotland since at least the 15th century, Edinburgh is the seat of the Scottish Government, the Scottish Parliament and the supreme courts of Scotland. The city's Palace of Holyroodhouse is the official residence of the monarch in Scotland. The city has long been a centre of education, particularly in the fields of medicine, Scots law, literature, philosophy, the sciences and engineering. It is the second largest financial Centre in the United Kingdom (after London) and the city's historical and cultural attractions have made it the United Kingdom's second most popular tourist destination attracting 1.75 million visits from overseas in 2016. Edinburgh is Scotland's second most populous city and the seventh most populous in the United Kingdom.
