Invitation...

Dear Colleagues,

We are glad to announce the International Conference on **Advanced Materials and Sustainable Development** to be held in **Vancouver, Canada** on **November 24-25, 2020** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Advanced Materials 2020** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Material Science and Additive Manufacturing. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

The main theme of the conference is **"Advancements in Materials Science and Technologies : Breakthrough to Excellence"** which will ignite young minds in searching a novel approach towards the marvels of sustainable future.

Knowledge is Application. This Knowledge gathering initiative focuses on Knowledge accumulation but also helps in practical approach towards future aspects in the fascinating arena of Materials science, Additive Manufacturing and Bio-based chemistry.

We look forward to personally welcoming you to **Vancouver, Canada this November.**
