5+ Workshops

20+ Exhibitors

WELCOME ADDRESS

Dear Attendees,

The Advanced Materials 2023 Organizing Committee is absolutely delighted to welcome you to the **28th International Conference on Advanced Materials & Nanotechnology** which will be held in **London, UK** on **November 06-07, 2023,** where we will be shining a spotlight on *"Materials for Sustainable Future: Innovations and Applications"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2023 for an experience of a lifetime.

With Regards
Advanced Materials 2023
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Advanced Materials 2023 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Advanced Materials 2023 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Materials & Nanotechnology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Materials & Nanotechnology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, Scientists and entrepreneurs

About Conference

28th International Conference on Advanced Materials & Nanotechnology is among the World's leading Scientific Conference. The two day event on Materials & Nanotechnology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Advanced Materials & Nanotechnology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Materials conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Materials & Nanotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Materials & Nanotechnology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Advanced Materials 2023**.

ABOUT CONFERENCE

Who Should Attend?

Advanced Materials 2023 Conference website is attracting 56000+ Materials Scientists, Research Physicists, Chemists research fellows of Materials Science, Nanotechnologists, Directors of chemical companies, Materials Engineers, polymer Companies, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Advanced Functional Materials
- Nanomaterials Synthesis and Characterization
- Nanotechnology Applications in Medicine
- Energy and Environmental Nanotechnology
- Nanoelectronics and Nanophotonics
- Nanocomposites and Smart Materials
- Advanced Materials Engineering
- Advancement in Nanomaterial's Science and Nanotechnology
- Materials Science & Engineering
- Emerging Areas of Materials Science
- Advanced Ceramic and Composite Materials
- Advance Biomaterials & Bio-devices
- Advanced Optical Materials
- Carbon & Graphene Based Materials
- Polymers Science & Engineering

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT LONDON

London is the capital and largest city of England and the United Kingdom, with a population of just under 9 million.

It stands on the River Thames in south-east England at the head of a 50-mile (80 km) estuary down to the North Sea, and has been a major settlement for two millennia.

The City of London, its ancient core and financial center, was founded by the Romans as Londinium and retains its medieval boundaries.

The City of Westminster, to the west of the City of London, has for centuries hosted the national government and parliament. Since the 19th century, the name “London” has also referred to the metropolis around this core historically split between the counties of Middlesex, Essex, Surrey, Kent, and Hertfordshire.

London exerts a strong influence on its arts, entertainment, fashion, commerce and finance, education, health care, media, science and technology, tourism, and transport and communications.

Its GDP (€801.66 billion in 2017) makes it the largest urban economy in Europe and it is one of the major financial centers in the world. With Europe’s largest concentration of higher education institutions.

it is home to some of the highest-ranked academic institutions in the world—Imperial College London in natural and applied sciences, the London School of Economics in social sciences, and the comprehensive University College London. [20][21] London is the most visited city in Europe and has the busiest city airport system in the world.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 899
Package B (Registration + 3 nights' Accommodation): € 1049

Business

Only Registration: € 699
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1149

Student

Student Delegate: € 399
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: March 10, 2023
Registration opens: March 10, 2023
On spot registration: November 06, 2023

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
https://europe.materialsconferences.com/registration.php
