About the conference

We welcome to the 31st International Conference on Advanced Materials, Nanotechnology, and Engineering, scheduled for April 9-10, 2025, in the dynamic city of London, UK. Our conference aims to foster collaboration, innovation, and excellence in the fields of advanced materials and nanotechnology, bringing together leading researchers, engineers, and industry experts from around the world.

With a commitment to advancing technological frontiers and addressing global challenges, this conference serves as a premier platform for sharing cutting-edge research, breakthrough discoveries, and transformative applications in materials science and nanotechnology. Through engaging keynote presentations, interactive sessions, and networking opportunities, participants will explore the latest advancements in nanomaterial synthesis, characterization techniques, and engineering applications.

Join us in London as we drive forward the boundaries of scientific knowledge and pave the way for future innovations in advanced materials and nanotechnology. Together, we envision a world where technological advancements contribute to sustainable development and societal well-being.

Theme: "Advancing Sustainability through Innovative Materials and Nanotechnology"

Why to attend the conference

Attending the Conference provides an opportunity to explore research and innovations, connect with leading experts and industry professionals, and stay updated on the latest trends and technologies. Engage in presentations, interactive workshops, and networking sessions to enhance your knowledge, skills, and career prospects. Present your research, receive expert feedback, and gain recognition in a diverse and collaborative environment, all while discovering practical applications that demonstrate the real-world impact of advanced materials and nanotechnology.

Sessions of the conference

- Nano Materials
- Nano Structures
- Nanoparticle Synthesis and Applications
- Spintronics
- Carbon Nanostructures and Graphene
- Properties of Nano Materials
- Nanotechnology-Basics to Applications
- Optical Materials and Plasmonics
- Composite Materials
- Advanced Materials and Functional Devices
- Nanometrology and Instrumentation
- Advanced Materials and Nanotechnology
- Science and Technology of Advanced Materials
- Nanosensors Devices
- Nanocluster and Nanoscience
- Molecular biology and Materials science
- Nano Technology and Photonics Communication
- Miniaturization Technology
- Nanoparticle and Nanoscale Research
- Biomedical Nanotechnology

OCM's & Renowned Speakers of the Conference

Moussa-Abu-Mostafa
HBK Hospital South Africa

Mohammed-fadda
Cairo University School of Physiotherapy Egypt

Fernando-Castro
Universidade de Sao Paulo , UK

Robert-Johnstoni
Widener University , USA

Ye-JiaXin
Lanzhou University , China

Nathalie-Raveu
LAPLACE - Centre National de la Recherche Scientifique , France

Special Benefits

- Research Excellence Award
- Scientific Service Achievement Award
- The Research Contribution Award
- The Upcoming Researcher Award
- The Women of Science Award
- Outstanding speaker in Advanced Materials 2025
- Best Keynote Speaker in Advanced Materials 2025
- Best Poster Presentation in Advanced Materials 2025
- Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Advanced Materials 2025
- Young Research Forum
- Best Presentation honorarium

Publication Opportunities

We provide you with the opportunity to publish your article with our Scopus indexed journals so that you can advance upward academic mobility through access to high-quality research and publication material.

Glimpses of the previous conference

Sponsorship and Exhibition

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.
