Dear Attendees,

We are glad to announce the 36th International Conference on Advanced Nanotechnology to be held in London, UK from August 16-17, 2021 organized by Conference Series LLC Ltd., UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

ADVANCED NANO 2021

Also increased the number of opportunities for you to network from across the world. but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Nanomaterials Conference to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to London this June.

Sincerely,
Advanced Nano 2021
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Advanced Nano 2021 Conference website is attracting 25000+ Data Scientists, Nanotechnology Professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Nanomaterials 2021 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Nanomaterials and Nanotechnology present the most recent research findings and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

B2B Meetings

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Advanced Nanotechnology
- Discuss and apply recent research findings related to Nanomaterials and Nanotechnology
- Reflect on the place of critical distance in Nanomaterials and Nanotechnology

Who should attend

36th International Conference on Advanced Nanotechnology is among the World's leading Scientific Conference. The two day event on Nanotechnology practices will host 60+ Scientific and technical sessions and sub-sessions on cutting edge research and latest research innovations in the field of Nanomaterials and Nanotechnology across the globe. This year Nanotechnology conference will comprises of 25 major sessions designed to offer comprehensive sessions that address current issues in various field of Nanotechnology. The attendees can find- Exclusive Sessions and Panel discussions on latest innovations in Nanomaterials and Nanotechnology. By participating in the conference, attendees will be able to study the advances in the Nanotechnology research. This International Nanotechnology conference provides an opportunity to meet Experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as Presented at Advanced Nano 2021.

About hosting organization

Conference series LLc Ltd., is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

Major Sessions

- Nanomaterials manufacturing technologies
- Advanced Nanomaterial's
- Applications of Nanomaterials
- Biomedical Nanomaterial's
- Characterization and properties of Nanomaterials
- Materiomics
- Nano devices and Systems
- Nano electronic devices
- Nano medical Devices
- Nano medicine
- Nanomaterial's Characterisation and Synthesis
- Nanomaterials Safety and regulations
- Nanoparticles
- Nanoscale materials
- Nanostructures
- Nanotech products
- Nanotechnology applications
- Nanozymes
- Scope of Nanomaterial's

About London

London is the capital and largest city of England and the United Kingdom. Standing on the River Thames in the south-east of England, at the head of its 50-mile (80 km) estuary leading to the North Sea, London has been a major settlement for two millennia. Londinium was founded by the Romans. The City of London, London's ancient core − an area of just 1.12 square miles (2.9 km2) and colloquially known as the Square Mile − retains boundaries that follow closely its medieval limits. The City of Westminster is also an Inner London borough holding city status. Greater London is governed by the Mayor of London and the London Assembly. London is considered to be one of the world's most important global cities and has been termed the world's most powerful,most desirable,most influential,most visited,most expensive,innovative,sustainable,most investment friendly,and most popular for work city in the world. London exerts a considerable impact upon the arts,commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. London ranks 26 out of 300 major cities for economic performance.
