Dear Friends!!

The Advanced Nursing 2019 annual meeting offers unparalleled educational, networking and business development opportunities. This three-day meeting is so highly regarded that more than 250+ attendees travel from 90 countries to attend and participate – making it the largest educational event in nursing in the world. We're excited to invite you to be part of it.

The goal of the ANHS 2019 is to respond to the changing educational needs of its members whether this is through additional workshops, simulation or electronic media. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the attendees from Universities and Institutes to interact with the world class Experts. ANHS 2019 is committed to providing attendees with an amazing experience. The Advanced Nursing 2019 annual meeting is sure to exceed your expectations in every way. With over 60 educational sessions that cross 18 scientific tracks, you are invited to participate in seminars, refresher course lectures, panels, pro-con debates, clinical forums, hands-on workshops, scientific abstract posters and presentations, and medically challenging cases. This meeting offers something for everyone.

With Best Regards

TOURISTS ATTRACTIONS

Museum of Fine Arts, Houston

This museum is world renowned for its nearly 60,000 works of antique and modern art gathered from nearly every corner of the world. Whether it's art from Africa, Asia, Europe or the Americas you'll find something that fascinates you at the Museum of Fine Arts, Houston. Visitors can enhance their visit by joining ongoing gallery talks and tours, or they can learn more about various pieces using their mobile devices. Some of the highlights to see at the Museum include works by James Turrell, Andy Warhol, and Vincent van Gogh to name a few.

Houston Zoo

Featuring a collection of more than 6,000 animals including elephants, red pandas, chimpanzees and rhinos the Houston Zoo is a must-see when you're in town. Use the free GPS-enabled smartphone app to enhance your experience. Attend special "Photo Days" throughout the year so that shutterbugs can take advantage of a variety of light, weather, and horticultural conditions. If you have the kids with you, head over to the Children's Zoo where you'll find a petting zoo, playround, bat cave, and live shows geared towards the Zoo's younger visitors.

Space Center Houston

Space Center Houston has been inspiring young people to learn more about STEM (science, technology, engineering and mathematics) fields since opening in 1992. The center is home to more than 400 space artifacts and also features various attractions and theaters desiANSPd to engage people of all ages. Highlights include astronaut training for the International Space Station, the development of deep-space missions, and the latest space robotic technologies, which are playing an important role in the exploration of Mars. If you're visiting on a Friday you also have the chance to listen to a presentation by a real astronaut. For an authentic look behind the scenes at NASA, the NASA Tram Tour travels into working areas of the Johnson Space Center.

Downtown Aquarium

Here, landlubbers can take a tantalizing tour of colorful, captivating undersea landscapes as varied as a sunken shipwreck and tanks full of red-bellied piranhas, venomous stingrays and a shiver of sharks. Featuring more than 400 species, there is plenty to discover at Houston's Downtown Aquarium. The aquarium also has plenty of land-side attractions, including Ferris wheel rides and a rain forest with colorful birds. Take a walk through the Sunken Temple and come face-to-face with lionfish, tarantulas, and pufferfish. You can even see a Tiger Reticulated Python that is over 20 feet long!

Houston Museum of Natural Science

There's a reason the Houston Museum of Natural Science is one of the most attended museums in the United States. The Museum houses four floors of exhibit halls including the Morian Paleontology Hall, Cullen Hall of Gems and Minerals, Hall of Ancient Egypt, Hall of the Americas, and more. This is a museum you can't miss if you're visiting Houston. Head to Hermann Park, where the museum assembles a captivating collage of scientific and historical artifacts, including dinosaurs, rare gems, spectacular shells, and an African ecosystem. If Ancient Egypt fascinates you, make sure to head over to the 10,000-square-foot Hall of Ancient Egypt.

Kemah Boardwalk

The Kemah Boardwalk is where rides, shops, music and Texas-sized tastes all come together along the beautiful Galveston Bay. Located just 20 miles from downtown Houston, this bodacious strip of fun is a great way to cool off in the sea breeze.

Explore an aquarium full of Caribbean sea life, ride a riotous roller coaster and enjoy the views from the top of a huge Ferris wheel. Take the kids on the Double-Decker Carousel and let them choose between riding on a dragon, sea monster, horse or unicorn. There's plenty of shopping and fun food, as well as water to splash in.

Gerald D. Hines Waterwall Park

Located adjacent to The Galleria, the Waterwall is a towering work of art that inspires hearts. The 64-foot semi-circular fountain recirculates 11,000 gallons of water per minute as it flows down the inner and outer walls of the structure. Be on the lookout for love - this is one of the city's most popular places for proposals and weddings. Naturally make sure to snap some pictures of your own. The Waterwall can be a very romantic photo spot.
