About the conference

With the amalgamation of peerless speakers of Advanced Nursing research is privileged to announce its “52nd International Conference on Advanced Nursing Research” which will be held during June 09-10, 2022 in Paris, France. We cordially welcome all the eminent researchers, students and delegates to take part in this upcoming nursing research conference, to witness invaluable scientific discussions and contribute to the future innovations in the field of nursing and its allied areas. Conference Series Ltd believes that professionally-oriented education in nursing is essential in the training of clinicians and academicians and organizes Advanced Nursing Research conference in Paris, France this year which will provide the future leadership in this key area for global health.

Theme: “Exploring New Horizons in Nursing and Research.”

Why to attend the conference

Advanced Nursing Conference -2022 is one of the world’s leading scientific conferences to bring together globally renowned healthcare practitioners, scientists, public health experts, academics, academic scientists, industry researchers, and scholars to share ideas. You will take advantage of seminars from business experts, scientific meetings, and contact with members of the business, meeting attendees, and lunch and coffee break experiences. The goal of this meeting is to promote new therapeutic ideas and examine the existing demand for the potential direction of Healthcare medications, equipment, and diagnostics, with a greater focus on new products that will be useful across the Nursing spectrum. We expect healthcare professionals from over 100 countries to be invited
